**COUNCIL OF EUROPE FRAMEWORK CONVENTION
ON THE VALUE OF CULTURAL HERITAGE FOR SOCIETY**

Faro Convention Meeting

The Faro Convention and Regeneration of Communities

24-25 May 2018, Lisbon, Portugal

Programme and practical information

Objectives:

- * provide participants with information on the Faro Convention and Action Plan;
- * offer concrete examples of good practices and the added value of signing the Convention;
- * expose participants to local communities that are experiencing the community regeneration process;
- * discuss the role of heritage and heritage rights from various perspectives in the process of community regeneration.

Methodology:

Participants will go through a journey, meeting diverse community members, hearing diverse narratives and exchanging views. While participants will be in groups, they are expected to take notes of what they have observed and how it may relate to their communities. These notes will be shared during session IV and contribute to the conclusions of the event. Some of the meals will be provided during the sessions.
