Work experience:

2008 - present **King's Commissioner in the Province of Flevoland**
 - This function is comparable to that of governor of a region. The King's Commissioner is both chair of the provincial parliament and president of the provincial government. This position is politically neutral, he is expected to offer an independent perspective on policies of the provincial government. In combining these two roles, he is able to provide continuity and balance in politics. In June 2020 reappointed for a third term of six years on the recommendation of the provincial parliament.
 - The King's Commissioner advises the Minister of Interior Affairs on the appointment of mayors. He is a public figure representing the province on official occasions. And he defends the interests of the region on a national and international level.

2003 - 2008 **Mayor of the town of Purmerend**
 Member of the executive board of the Amsterdam Metropolitan Region

1994 - 2003 **Verbeek Interim Management & Consultancy Ltd.**

1990 - 1994 **Alderman for the municipality of Houten for the Labour Party**

Relevant additional functions:

- Chair of the Committee of recommendation of Amnesty International, department Almere
- Chair of the board of Dutch Governors (Commissioners of the King)
- Chair Supervisory Board Victim Support Netherlands
- President of the Delta Metropolis Association (including Amsterdam, The Hague, Rotterdam and Utrecht)
- Co-founder and chair of International Tree Fund (rural projects Costa Rica and Guatemala)
