Monitoring the implementation of the European Social Charter ¹

I. Reporting system ²

Reports submitted by Denmark

Between 1968 and 2024, Denmark submitted 43 reports on the application of the 1961 Charter.

The [42nd report](#), which was submitted on 22/12/2022, concerns the accepted provisions relating to thematic group 4 "Children, families and migrants" (Articles 7, 8, 16, 17 and 19).

Conclusions with respect to these provisions have been published in March 2024.

On 21 December 2023, an [ad hoc report on the cost-of-living crisis was submitted by Denmark](#)³.

¹ The European Committee of Social Rights ("the Committee") monitors compliance with the Charter under two procedures, the reporting system and the collective complaints procedure, according to Rule 2 of the Committee's rules: « 1. The Committee rules on the conformity of the situation in States with the European Social Charter, the 1988 Additional Protocol and the Revised European Social Charter. 2. It adopts conclusions through the framework of the reporting procedure and decisions under the collective complaints procedure ».

Further information on the [procedures](#) may be found on the [HUDOC database](#) and in the [Digest of the case law of the Committee](#).

² Detailed information on the Reporting System is available on the [relevant webpage](#). The reports submitted by States Parties may be consulted in the [relevant section](#).

³ In accordance with the [decision of the Ministers' Deputies](#) adopted on 27 September 2022 concerning the [new system](#) for the presentation of reports under the European Social Charter, the European Committee of Social Rights and the Governmental Committee have decided to request an *ad hoc* report on the cost-of-living crisis to all State parties.

Situations of non-conformity⁴

► *Article 10§4 - Right to vocational training - Encouragement for the full utilisation of available facilities*

Non-EEA nationals are subject to a length of residence requirement of two years before being eligible receiving financial support for education and training.

► *Article 1 of the 1988 Additional Protocol - Right to equal opportunities and equal treatment in matters of employment and occupation without discrimination on the grounds of sex*

► *Article 12§4 - Right to social security - Social security of persons moving between states*

The ten-year residence requirement imposed on nationals of States Parties not covered by EU regulations or bound by bilateral agreement with Denmark for entitlement to an early retirement pension for persons with disabilities or to ordinary old-age pension is excessive.

► *Article 13§1 – Right to social and medical assistance - Adequate assistance for every person in need*

- The levels of social assistance (*kontanthjælp*) paid to persons under 30 years of age and of integration allowance paid to single persons are not adequate;

There is no legislation prohibiting discrimination on grounds of age outside of employment.

Thematic Group 3 “Labour rights” - Conclusions XXII-3 (2022)⁵ and XXI-3 (2018)

► *Article 2§2- Right to just conditions of work – Public holidays with pay*

It has not been established that workers receive a sufficiently increased salary for work on public holidays.

► *Article 5- Right to organise*

The legislation on the International Shipping Register restricts the right of trade unions to bargain collectively on behalf of all their members.

► *Article 6§2 - Right to bargain collectively – Negotiation procedures*

The right to collective bargaining in respect of non-resident seafarers engaged on vessels entered in the International Shipping Register is unduly restricted.

► *Article 6§4 - Right to bargain collectively - Collective action*

- Civil servants employed under the Civil Service Act denied the right to strike;
- The workers who are not members of a trade union that has called a strike are prevented from participating in the strike unless they join the relevant trade union, and they do not enjoy the same protection as the trade union members if they participate in a strike.

⁴ Further information on the situations of non-conformity is available on the [HUDOC database](#).

II. Examples of progress achieved in the implementation of rights under the Charter (non-exhaustive list)

Thematic Group 1 “Employment, training and equal opportunities”

► Law No. 1385 of 21 December 2005 on equal opportunities removed the upper limit to compensation in employment discrimination cases.

► Sections 198 and 199 of the Criminal Code which provided for criminal sanctions to be applied in cases of deliberate idleness or lack of means of subsistence were repealed (Act No. 141/1999).

► Prohibition of both direct and indirect discrimination in the labour market with regard to race, colour, religion, political opinion, sexual orientation and national, social or ethnic origin (1996 Act on prohibition against discrimination in the labour market).

Thematic Group 2 “Health, social security and social protection”

► Act No. 356 of 9 April 2013 amended the Working Environment Act. The amendment pinpoints that the Act also deals with the psychological working environment.

► Since January 2012 inspections by the WEA are risk-based, and all enterprises with two or more full-time employees (FRE) will be inspected at least once before the end of 2019.

► A number of measures were introduced in favour of persons who had exhausted their right to unemployment benefits, such as a special education allowance (Act No. 1374 of 23 December 2012, Act No. 790 of 28 June 2013) or temporary labour-market benefits (Act No. 1610 of 26 December 2013, Act No. 174 of 24 February 2015). Furthermore, measures were taken to maintain unemployment benefits during sickness, for the first 14 days (Act No. 720 of 25 June 2014). Additional measures in favour of unemployed people were taken in the framework of the Employment reform 2014 (Act No. 1486 of 23 December 2014).

► In 2019, the executive order on carcinogens and mutagens was amended to implement Directive (EU) 2017/2398 of the European Parliament and of the Council of 12 December 2017 amending Directive 2004/37/EC on the protection of workers from the risks related to exposure to carcinogens or mutagens at work. A national provision regarding prohibition of recirculation on building sites of local exhaust air from work processes was amended to allow for recirculation as long as the air is effectively cleaned.

Thematic Group 3 “Labour rights”

► The legislation relating to annual holiday with pay was amended in 2012 so that to allow the workers to interrupt their holidays in case of sickness or accident during their annual leave. The days not taken can thus be postponed, after a waiting period of up to five days per holiday year and upon presentation of medical documentation of the illness (Section 13, Subsections 3-6 of the Holiday Act, entered into force on 1 May 2012).

► Progress has been made concerning the new strategy relating to the working environment up to 2020 aimed at reducing the number of serious accidents, the number of employees who are psychologically overloaded and the number of employees who experience musculoskeletal disorders. An expert committee on how to enhance the undertaken efforts has been established.

Thematic Group 4 “Children, families, migrants”

► The Children Act No. 460/2001 introduced new paternity rules and abolished the distinction between children born out of wedlock and legitimate children.
