## Technical information

- The meeting will be hybrid. To join online on KUDO platform, please connect to the following link:
  - **To join as Viewer:**  
<https://vmeeting.coe.int/k8/771117821070/join>  
Meeting ID: 771117821070
- During the meeting:
- Participants are required to use Google Chrome to be able to access the platform;
- Participants are requested to join the meeting online at 14:15 for technical instructions;
- All microphones will be turned on and off by the moderator of the event, staff of the project;
- It is recommended to turn on the cameras only when you speak;
- A discussion session will be opened at the end of the presentations. During this session participants may ask to speak if they have comments/questions. If you wish to take the floor, click on **“request to speak”**, wait until the moderator/project staff accepts your request. Once your request has been accepted your microphone and video icons will turn red but with a line through them. Click on the icons to enable them. Once enabled, the icons will turn blue. Once you are visible on the screen you can start speaking. Please remember to mute your microphone when you have finished speaking by clicking on “release mic”. Considering the time constraints of the meeting, it is strongly recommended to formulate comments and questions clearly and as concisely as possible and consider the time allocated in the Agenda to questions/comments/contributions.
- Interpretation: English-French simultaneous interpretation will be provided.
- Photo: During the first part of the meeting a photo/print screen will be taken, about which the participants will be informed. In case there are participants who do not want to be photographed, this should be specified in the chat and the camera turned off during that moment. Note: The KUDO platform provides the possibility to show only 4 images on the screen.
- Technical problems: In case of any technical issues during the meeting, the participants should inform the organisers through the chat option and the project staff will try to fix them.
