Council of Europe – Congress of Local and Regional Authorities
Chamber of Regions
Strasbourg
FRANCE

I hereby declare my candidacy for the position of Vice President of the Chamber of Regions.

In my many years of experience in local self-government, I participated, as a member of the presidency, in the work of the Association of Cities in the Republic of Croatia as well as in numerous conferences on local self-government. I have been a member of the Congress of Local and Regional Authorities since October 2016 as well as a member of the Monitoring Committee. I was also an alternate member of the European Committee of the Regions (CoR).

In my work, I have encouraged and promoted the strengthening of local and regional democracy, political dialogue and cooperation between local and regional authorities, which I consider extremely important in these challenging times. For this reason, I am honored to submit my candidacy for the position of Vice President of the Chamber of Regions.

Yours sincerely,

Antonija Jozic
