

Dear colleagues,

I am honoured to present my candidacy for the position of Vice-President of the Social Inclusion Committee.

The Committee plays a central role in advancing the core values of the Congress, particularly in the areas of social cohesion, equality, and non-discrimination. I am strongly committed to supporting its vital work across these thematic priorities. Issues related to equality, women's rights, and human rights are especially important to me and guide much of my political engagement.

In my work in the Forssa City Council in Finland, I have been involved promoting inclusive services, supporting vulnerable groups and strengthening our equality policies.

As Vice-President, I would strive to contribute actively to the Committee's work and priorities, and to foster constructive cooperation among its members. I am strongly committed to upholding and promoting the core values and principles of the Congress.

It would be an honour to serve as Vice-President of the Committee and to work alongside colleagues in advancing its mandate and strengthening its impact.

Yours sincerely,
