ZAKON

O ZAŠČITI OTROK V KAZENSKEM POSTOPKU IN NJIHOVI CELOSTNI OBRAVNAVI V HIŠI ZA OTROKE (ZZOKPOHO)

I. SPLOŠNE DOLOČBE

1. člen **(vsebina in namen zakona)**

(1) Ta zakon za zagotavljanje največjih koristi otroka določa način in pogoje celostne obravnave mladoletnih oškodovancev in prič v predkazenskem in kazenskem postopku glede določenih kaznivih dejanj v hiši za otroke (v nadaljnjem besedilu: celostna obravnava).

(2) Če to zahteva zagotavljanje največjih koristi otroka, se lahko pod pogoji, ki jih določa ta zakon, celostna obravnava zagotovi tudi otroku, ki je oškodovanec ali oškodovanka (v nadalnjem besedilu: oškodovanec) ali priča drugega kaznivega dejanja, ob smiseln uporabi tega zakona pa tudi mladoletniku ali mladoletnici (v nadalnjem besedilu: mladoletnik), ki še ni star osemnajst let, zoper katerega teče predkazenski ali kazenski postopek.

CHILD PROTECTION IN CRIMINAL PROCEEDINGS AND COMPREHENSIVE TREATMENT OF CHILDREN IN THE CHILDREN'S HOUSE ACT (ZZOKPOHO)

I. GENERAL PROVISIONS

Article 1 **(Subject and purpose of the Act)**

(1) In order to protect the best interests of the child, this Act regulates the manner of and conditions for the comprehensive treatment of minor victims and witnesses in pre-trial and criminal proceedings concerning specific criminal offences in the Children's House (hereinafter: comprehensive treatment).

(2) If the best interests of the child so require and under the conditions laid down by this Act, comprehensive treatment may also be provided to a child who is a victim of or witness to other criminal offences or, by applying this Act *mutatis mutandis*, to a minor under 18 years of age against whom pre-trial or criminal proceedings are conducted.

(3) Če to zahteva zagotavljanje največjih koristi otroka, lahko Policia in centri za socialno delo opravljajo svoje naloge v postopkih v zvezi z mladoletnimi oškodovanci in mladoletnimi pričami kaznivih dejanj kot celostno obravnavo v hiši za otroke pod pogoji in na način, ki ga določa ta zakon.

2. člen (pomen izrazov)

(1) Otrok po tem zakonu je fizična oseba, mlajša od 18 let.

(2) Določena kazniva dejanja po tem zakonu so kazniva dejanja zoper človečnost, zoper življenje in telo, zoper spolno nedotakljivost, zoper zakonsko zvezo, družino in otroke ter kazniva dejanja iz 131. do 138., 140., 143., 283., 284., 286., 296., 323. in 324. člena Kazenskega zakonika (Uradni list RS, št. 50/12 – uradno prečiščeno besedilo, 6/16 – popr., 54/15, 38/16 in 27/17).

(3) Družinski član ali članica po tem zakonu je član ali članica življenjske skupnosti otroka, ki je v skladu z zakonom, ki ureja družinska razmerja, opredeljena kot družina.

3. člen (načela celostne obravnave)

Državni organi in drugi udeleženci pri zagotavljanju celostne obravnave ravnajo posebno pazljivo, da se ob enakem varstvu pravic, spoštovanju jamstev poštenega postopka in pravic obrambe, spoštuje dostojanstvo in zagotavljajo največje koristi otroka. Pri tem upoštevaje otrokovo starost, zrelost, sposobnost razumeti pomen in posledice svojih dejanj in druge osebne značilnosti ter vrsto, naravo in okoliščine kaznivega dejanja skrbijo:

- da se otroku zagotovijo potrebne informacije in pojasnila;
- da se zagotovita zaščita in osebna varnost otroka zaradi preprečevanja izpostavljenosti sekundarni in ponovni viktimizaciji,

(3) If the best interests of the child so require, the police and social work centres may perform their tasks in proceedings concerning the minor victims of and minor witnesses to criminal offences as part of the comprehensive treatment in the Children's House under the conditions and in the manner provided by this Act.

Article 2 (Definitions)

(1) A child under this Act shall mean a natural person under 18 years of age.

(2) Specific criminal offences under this Act shall mean criminal offences against humanity, against life and limb, against sexual integrity and against marriage, family and children, and the criminal offences referred to in Articles 131 to 138, 140, 143, 283, 284, 286, 296, 323 and 324 of the Criminal Code (Official Gazette of the Republic of Slovenia [Uradni list RS], Nos 50/12 – official consolidated version, 6/16 – corr., 54/15, 38/16 and 27/17).

(3) A family member under this Act shall mean a member of the child's domestic community defined as a family in accordance with the Act governing family relations.

Article 3 (Principles of comprehensive treatment)

State authorities and other participants involved in providing comprehensive treatment shall take particular care that, while ensuring the equal protection of rights and respecting the guarantee of fair trial and the right to defence, the dignity of the child is respected and the child's best interests are protected. Taking into account the child's age, maturity, ability to understand the relevance and consequences of their actions and other personal traits, as well as the nature and circumstances of the criminal offence, the state authorities and other participants shall ensure:

- that the child receives the necessary information and explanations;
- that the protection and personal safety of the child are ensured so as to prevent exposure to secondary victimisation and revictimisation,

ustrahovanju in maščevanju;

- da se zaslišanje in telesni pregled otroka zaradi preprečevanja nadaljnje viktimizacije opravlja le, kolikor je to neizogibno potrebno, in v najmanjšem možnem številu;
- da se omogoči, da je otrok slišan;
- da se dejanja izvedejo brez nepotrebnega odlašanja.

4. člen (javna služba)

(1) Celostna obravnava se izvaja kot javna služba v javnem zavodu hiša za otroke (v nadalnjem besedilu: zavod).

(2) Javna služba celostne obravnave se zagotavlja s prostorskimi, organizacijskimi, tehničnimi in metodološkimi ukrepi v zvezi z zaslišanjem in telesnim pregledom otroka ter z izvajanjem krizne podpore in psihosocialne pomoči.

(3) Prostorski ukrepi pomenijo zlasti ureditev prostorov na otrokom prijazen način, da se zmanjša njihov strah pred institucijo, zagotovitev celovite obravnave na eni lokaciji ter ločenost prostorov za zaslišanje otroka in spremjanje zaslišanja.

(4) Organizacijski ukrepi pomenijo zlasti organizacijo dela tako, da se zagotovi čim zgodnejša obravnava, da se prepreči stik med otrokom in osumljencem oziroma obdolžencem in da se zmanjša število zaslišanj.

(5) Tehnični ukrepi pomenijo zlasti izvedbo zaslišanja, ki se zvočno in slikovno snema, ter ukrepe za zavarovanje dokazov in varno izmenjavo osebnih podatkov.

(6) Metodološki ukrepi pomenijo zlasti multidisciplinarno in medinstitucionalno obravnavo na enem mestu, ki jo izvaja usposobljeno osebje in je prilagojena vsakemu otroku posebej.

intimidation and revenge;

- that the interviews and physical examinations of the child are only carried out as far as this is absolutely necessary and that the number of interviews and examinations is kept to the minimum so as to prevent further victimisation;
- that the child is allowed to be heard;
- that the procedures are carried out without undue delay.

Article 4 (Public service)

(1) The comprehensive treatment shall be carried out as a public service in the Children's House public institution (hereinafter: Children's House).

(2) The public service of comprehensive treatment shall be provided through spatial, organisational, technical and methodological measures related to the interviews and physical examinations of the child and by providing crisis and psychosocial support.

(3) The spatial measures shall constitute, in particular, the arrangement of rooms in a child-friendly way so as to reduce their fear of the Children's House, the provision of comprehensive treatment in one location and separate rooms for carrying out and observing the interviews of children.

(4) The organisational measures shall constitute, in particular, the organisation of work in a way that ensures the earliest possible treatment, prevents contact between the child and the suspected or accused person and reduces the number of interviews.

(5) The technical measures shall constitute, in particular, the conduct of interviews, which are audio and video recorded, and the measures to protect evidence and ensure safe data exchange.

(6) The methodological measures shall constitute, in particular, a multidisciplinary and interagency treatment in one place provided by qualified staff and adapted to each child.

5. člen
(osebni podatki, zbirke in hramba podatkov)

(1) Zavod obdeluje osebne in druge podatke v skladu s predpisi, ki urejajo varstvo osebnih in drugih podatkov.

(2) Zavod upravlja zbirko podatkov udeležencev celostne obravnave in zbirko podatkov udeležencev usposabljanj iz 38. člena tega zakona.

(3) V zbirki podatkov udeležencev celostne obravnave se obdelujejo osebni podatki otrok in njihovih družinskih članov, osumljencev oziroma obdolžencev in drugih posameznikov, ki so v obravnavi v zavodu. Zavod obdeluje podatke za namene izvajanja javne službe po tem zakonu ali za namene drugih postopkov, katerih udeleženci so otroci, ki jim zavod zagotavlja celostno obravnavo.

(4) V zbirki podatkov udeležencev celostne obravnave se lahko obdelujejo naslednji podatki:

- osebno ime in drugo poimenovanje oseb iz prejšnjega odstavka ter naslov njihovega stalnega ali začasnega prebivališča;
- osebno ime in drugo poimenovanje zakonitega zastopnika in pooblaščenca oškodovanca, osumljence ali obdolženca ter drugih oseb, ki so v obravnavi v zavodu;
- podatki o zadevi, pomembnih okoliščinah in drugi podatki v zvezi z zadevo, ki bi lahko izkazovali ali izkazujejo, da poteka predkazenki ali kazenski postopek;
- podatki o organu, ki obravnava zadevo, ki je bila predložena zavodu, ter datum predložitve, lahko pa tudi opravilna številka zadeve ali druga enolična oznaka zadeve organa;
- podatki, ki so jih dale osebe iz prejšnjega odstavka ali jih je organ, ki sodeluje v postopku po tem zakonu, predal zavodu; in
- podatki, pridobljeni v postopku celostne obravnave.

Article 5
(Personal data, databases and data storage)

(1) The Children's House shall process personal and other data in accordance with the regulations governing personal and other data protection.

(2) The Children's House shall manage the database of comprehensive treatment participants and the database of training participants referred to in Article 38 of this Act.

(3) In the database of comprehensive treatment participants, the personal data of the children and their family members, the suspected or accused persons and other persons involved in the treatment in the Children's House shall be processed. The Children's House shall process these data in order to perform the public service under this Act and for the purposes of other procedures in which the children to whom the Children's House provides comprehensive treatment participate.

(4) The following data may be processed in the database of comprehensive treatment participants:

- the personal and other names of the persons referred to in the preceding paragraph, and their permanent or temporary address;
- the personal and other names of the statutory and authorised representatives of the victim, the suspected or accused person and other persons involved in treatment in the Children's House;
- information on the case, relevant circumstances and other data related to the case that demonstrate or could demonstrate that pre-trial or criminal proceedings are being conducted;
- information on the authority considering the case submitted to the Children's House and the date of submission; the reference number of the case or any other unique number assigned to the case by the authority may be included;
- the information given by the persons referred to in the preceding paragraph or handed over to the Children's House by the authority participating in the proceedings under this Act; and
- the information obtained during the comprehensive treatment.

(5) Osebne podatke v zbirki podatkov udeležencev celostne obravnave zavod obdeluje tako, da se z njimi lahko seznanijo le tiste osebe, ki jih potrebujejo za opravljanje nalog po tem ali drugem zakonu.

(6) Zavod si lahko pri upravljanju zbirke podatkov udeležencev celostne obravnave izmenjuje podatke oziroma se povezuje z naslednjimi zbirkami podatkov:

- z informacijskim sistemom sodišč, s katerim si izmenjuje podatke in dokumente, ki jih sodišče preda na podlagi tega ali drugega zakona;
- z informacijskim sistemom policije, s katerim si izmenjuje podatke iz evidence izdanih odredb za prepoved približevanja;
- z informacijskim sistemom centrov za socialno delo, s katerim si izmenjuje osebne in druge podatke, ki jih centri za socialno delo obdelujejo na podlagi zakona, ki ureja preprečevanje nasilja v družini; in
- z informacijskimi sistemi drugih državnih organov, nosilcev javnih pooblastil ali drugih oseb, ki obdelujejo podatke otroka ali njegovih družinskih članov, če tako določa zakon.

(7) Zavod zvočni in slikovni posnetek zaslišanja hrani samostojno poleg sodišča.

(8) Podatki, ki jih zavod pridobi za pripravo in izvedbo zaslišanja po tem zakonu od policije, državnega tožilstva, sodišča ali drugih državnih organov, se v zbirki udeležencev celostne obravnave hranijo ločeno od podatkov, ki se nanašajo na krizno podporo in psihosocialno pomoč in jih zavod v ta namen ustvari ali pridobi od centra za socialno delo ali drugih oseb.

(9) Po končani obravnavi otroka v zavodu se podatki, ki se nanašajo na pripravo in izvedbo zaslišanja ali telesnega pregleda po tem zakonu, arhivirajo in hranijo v zavodu tri leta po pravnomočnosti odločbe, s katero se je kazenski postopek končal, če te ni, pa do zastaranja kazenskega pregona. Pristojno sodišče zavodu pošlje pravnomočno odločbo v 30 dneh od njene pravnomočnosti.

(5) The Children's House shall process the personal data included in the database of comprehensive treatment participants so that only the persons who need such data to perform tasks under this or other acts may access them.

(6) In managing the database of comprehensive treatment participants, the Children's House may exchange data or connect with the following databases:

- the information system of courts, with which it shall exchange the data and documents that the court provides on the basis of this or other Acts;
- the information system of the police, with which it shall exchange the data from the record of restraining orders issued;
- the information system of social work centres, with which it shall exchange personal and other data that the social work centres process on the basis of the Act governing the prevention of domestic violence; and
- the information systems of other state authorities, the bearers of public authority or other persons that process the data of the child and their family members, if so provided by an Act.

(7) The Children's House shall independently, in addition to the court, keep the audio and video recordings of the interviews.

(8) In the database of comprehensive treatment participants, the data that the Children's House obtains from the police, the State Prosecutor's Office, courts or other state authorities in order to prepare and carry out an interview under this Act shall be kept separately from the data relating to crisis and psychosocial support that the Children's House creates or obtains from a social work centre or other persons for this purpose.

(9) When the treatment of a child in the Children's House is concluded, the data relating to the preparation and conduct of an interview or physical examination under this Act shall be archived and kept at the Children's House for a period of three years after the decision concluding the criminal proceedings becomes final or, if such decision does not exist, until the statute of limitations for criminal prosecution expires. The competent court shall send the final decision to the Children's House within 30 days of its finality.

(10) Po končani obravnavi otroka v zavodu se podatki, ki se nanašajo na krizno podporo in psihosocialno pomoč po tem zakonu, arhivirajo in hranijo tri leta. Dostop do podatkov, ki se nanašajo na krizno podporo in psihosocialno pomoč po tem zakonu, se v tem obdobju lahko dovoli le izvajalcem zdravstvene dejavnosti ali za nadaljevanje psihosocialne pomoči, in to ob soglasju obravnavane osebe ali zakonitega zastopnika otroka, ki še ni dopolnil 15 let.

(11) Po preteku roka hrambe iz prejšnjih dveh odstavkov se podatki, ki jih obdeluje zavod, blokirajo in še naprej hranijo v zavodu. Dostop do blokiranih podatkov se zaradi seznanitve z lastnimi osebnimi podatki dovoli le otroku, ki je bil obravnavan v zavodu in se nanj podatki nanašajo. Blokirani podatki se hranijo 20 let po polnoletnosti otroka, nato jih zavod uniči.

(12) Direktor zavoda lahko po predhodnem soglasju sodišča posamezniku dovoli vpogled, prepis, kopiranje ali izpis iz zbirke podatkov udeležencev celostne obravnave v psevdonomizirani obliki zaradi opravljanja znanstvenoraziskovalnega dela. Dovoljenje se lahko nanaša le na arhivirane zadeve. Posameznik lahko v podatke vpogleda ali jih prepiše brezplačno, kopira ali izpiše pa jih na svoje stroške. Vpogled, prepis, kopiranje ali izpis se opravi pod nadzorom uslužbenca zavoda, ki ga za to pisno pooblasti direktor zavoda. Oseba, ki ji je dovoljen dostop do podatkov, mora z rezultati znanstvenoraziskovalnega dela seznaniti zavod in ga obvestiti, ali bo delo objavljeno oziroma drugače širše dostopno.

(13) V zbirki podatkov udeležencev usposabljanj se o osebah, ki so se udeležile usposabljanj, ki jih organizira zavod, zaradi sodelovanja z njimi pri izvajanju nalog zavoda obdelujejo naslednji osebni podatki: osebno ime in drugo poimenovanje, naslov njihovega stalnega ali začasnega prebivališča ter podatki o njihovi zaposlitvi.

(10) When the treatment of a child in the Children's House is concluded, the data relating to the crisis and psychosocial support under this Act shall be archived and kept for a period of three years. During this period, access to the data related to crisis and psychosocial support under this Act may only be permitted to healthcare providers or in order to continue providing psychosocial support, subject to the consent of the treated person or the statutory representative of the child under 15 years of age.

(11) After the expiry of the retention periods referred to in the preceding two paragraphs, the data processed by the Children's House shall be blocked and continue to be kept at the Children's House. Access to blocked data shall only be allowed for the purpose of accessing own personal data and only to the child who was cared for at the Children's House and to whom the data refer. The blocked data shall be kept for 20 years after the child reaches maturity, after which they shall be destroyed by the Children's House.

(12) The Director of the Children's House may, subject to the prior consent of a court, permit a person to view, transcribe, copy or make a printout of the data contained in the database of comprehensive treatment participants in a pseudonymised form for the purposes of scientific research. The permission may only apply to archived cases. A person may view or transcribe the data free of charge and may copy them or make a printout at their own cost. Viewing, transcribing, copying or making printouts shall be carried out under the supervision of an employee of the Children's House who is authorised in writing to this effect by the Director of the Children's House. A person who is granted permission to access the data must present the outcome of the scientific research to the Children's House and inform the Children's House whether the research is to be published or otherwise made available to the public.

(13) The following personal data of persons who attended training sessions organised by the Children's House for the purpose of working with them in performing the tasks of the Children's House shall be processed in the database of the training participants: personal and other names, their permanent or temporary address and information on their employment.

(14) Zavod zagotavlja sledljivost vpogledov, dostopov in drugih oblik obdelave osebnih podatkov.

II. HIŠA ZA OTROKE

32. člen (nasprotovanje otroka)

(1) Če otrok kljub skrbnim pojasnilom nasprotuje pregledu, se izvedenstvo telesnih poškodb opravi s pregledom medicinske dokumentacije in podatkov v spisu, razen če bi bilo to v nasprotju z interesu uspešne izvedbe predkazenskega ali kazenskega postopka.

(2) Pri telesnem pregledu otroka po tem zakonu se zanj določbe zakona, ki ureja kazenski postopek, o ukrepih za zagotavljanje reda pri izvajanju preiskovalnih dejanj, ne uporablajo.

3. Krizna podpora in psihosocialna pomoč

33. člen (krizna podpora in psihosocialna pomoč)

(1) Zavod zagotavlja krizno podporo in psihosocialno

(2) Krizna podpora pomeni zlasti psihološko podporo otroku ob zaslišanju in telesnem pregledu.

(3) Psihosocialna pomoč pomeni trajnejšo obliko psihološke, socialne in praktične pomoči otroku, ki sledi v času po zaslišanju ali telesnem pregledu.

(4) Zavod lahko zagotavlja krizno podporo in psihosocialno pomoč tudi otrokovim družinskim članom, ki niso osumljeni kaznivega dejanja zoper otroka, če to po presoji svetovalca narekuje korist otroka.

(5) Zavod se za izvajanje krizne podpore in psihosocialne

facts important for the criminal proceedings shall be explained to the child with due care and attention.

Article 32 (Child's opposition)

(1) If despite careful explanations the child opposes the examination, the expert examination of physical injuries shall be carried out through the examination of medical documents and the information contained in the file, unless this would be against the interests of the successful implementation of pre-trial or criminal proceedings.

(2) The provisions of the Act governing the criminal procedure concerning the measures to maintain order during investigative procedures shall not apply to the physical examinations of children under this Act.

3. Crisis and psychosocial support

Article 33 (Crisis and psychosocial support)

Article 34 (Child's counsellor)

(1) Crisis and psychosocial support shall be carried out by the counsellor of the child (hereinafter: counsellor).

(2) After receiving a court order on the interview or physical examination of a child, the Director or the head of a unit of the Children's House shall appoint a counsellor without delay. The counsellor must not be the person who carries out the interview of the child in the same case (hereinafter: appointed counsellor).

(3) The counsellor must have educational qualifications of at least level eight in accordance with the Act governing the Slovenian qualification framework in the field of psychology or medicine, social work or special education disciplines and at least three years of work experience in working with children, and must have completed additional training for providing crisis and psychosocial support to children in accordance with Article 38 of this Act.

(4) The Children's House shall ensure that, except in exceptional cases, the child has the same counsellor throughout the treatment.

(5) The counsellor shall have access to all the data processed by the Children's House that they need in their work.

Article 35 (Crisis support)

(1) The appointed counsellor shall receive the child immediately before an interview or physical examination. At the first contact with the child, the counsellor shall only inform and attempt to calm the child, and explain the procedure of the interview or physical

(2) Dodeljeni svetovalec spremlja zaslišanje otroka v ločeni sobi.

(3) Dodeljeni svetovalec neposredno po zaslišanju ali telesnem pregledu otroka v skladu s pravili stroke in pravili zavoda otroku nudi strokovno pomoč in podporo, kar pomeni tudi začetek psihosocialne pomoči.

36. člen (psihosocialna pomoč)

(1) Dodeljeni svetovalec otroku nudi psihosocialno pomoč v času po zaslišanju ali telesnem pregledu.

(2) Svetovalec za otroka v najkrajšem času pripravi načrt obravnave, v katerem glede na okoliščine in potrebe otroka določi intenzivnost in pogostost stikov z otrokom ter v skladu s strokovnimi usmeritvami in pravili zavoda opredeli vsebino psihosocialne pomoči. Svetovalec načrt obravnave dopolnjuje in prilagaja med trajanjem psihosocialne pomoči.

(3) Psihosocialna pomoč traja šest mesecev od začetka obravnave, tudi če otrok v tem času že dopolni 18 let. Če svetovalec oceni, da otrok potrebuje nadaljnjo obravnavo, ga usmeri k ustreznim institucijam zunaj zavoda. Po preteku šestih mesecev svetovalec nadaljuje obravnavo otroka v zavodu le, dokler ustrezena pomoč ni zagotovljena zunaj zavoda.

(4) V okviru psihosocialne pomoči svetovalec po lastni presoji sodeluje z drugimi oblikami podpore in pomoči, ki jih nudijo državni organi ali nevladne organizacije, ter otroka povezuje z njimi.

examination and further treatment.

(2) The appointed counsellor shall observe the child's interview from a separate room.

(3) Immediately after the interview or physical examination of the child, the counsellor shall provide professional help and support to the child in accordance with the rules of the profession and of the Children's House, which shall constitute the start of psychosocial support.

Article 36 (Psychosocial support)

(1) The appointed counsellor shall provide psychosocial support to the child after the interview or physical examination.

(2) As soon as possible, the counsellor shall prepare a treatment plan for the child determining the intensity and frequency of contacts with the child and defining the content of psychosocial support in accordance with professional guidelines and the rules of the Children's House. Throughout the duration of the psychosocial support, the counsellor shall supplement and adjust the treatment plan.

(3) The psychosocial support shall be provided for six months from the start of the treatment, even if the child reaches 18 years of age before the end of this period. If the counsellor assesses that the child needs further treatment, they shall refer the child to relevant institutions outside the Children's House. After the expiry of six months, the counsellor shall only continue the treatment within the Children's House until suitable support is provided outside the Children's House.

(4) In providing psychosocial support, the counsellor shall, at their own discretion, work together with state authorities and non-governmental organisations providing other forms of support and assistance and establish contacts between the child and such authorities and organisations.

Article 37 (Voluntary participation)

(1) Otrok se prostovoljno vključuje v krizno podporo in psihosocialno pomoč, ki jo zagotavlja zavod.

(2) Za otroka, mlajšega od 15 let, soglasje za vključitev v krizno podporo in psihosocialno pomoč poda njegov zakoniti zastopnik.

IV. USPOSABLJANJE IN SODELOVANJE

38. člen (usposabljanje)

(1) Zavod zagotavlja redna usposabljanja strokovnjakov za pomoč pri zaslišanju otrok ter svetovalcev za izvajanje krizne podpore in psihosocialne pomoči otrokom in njihovim družinskim članom.

(2) Zavod zagotavlja multidisciplinarna in medinstiucionalna usposabljanja ter izvaja ozaveščanja strokovnjakov različnih področij, ki se ukvarjajo z otroki, in splošne javnosti o dejavnosti zavoda ter ustreznih obravnavi otrok, ki so oškodovanci ali priče kaznivih dejanj.

(3) Postopek in pogoje za pristop k preverjanju usposobljenosti določi minister, pristojen za pravosodje.

39. člen (sodelovanje med udeleženci postopka)

(1) Udeleženci postopkov krizne podpore in psihosocialne pomoči otroku po tem zakonu morajo sodelovati z zavodom v zadevah po tem zakonu in zavodu predati potrebne podatke.

(2) Zavod sprejme protokole, ki vsebujejo priporočila za poenoteno in strokovno izvajanje celostne obravnave in standarde sodelovanja med udeleženci.
