Requests for aid...

- ✓ *Housing*
- ✓ *Health*
- ✓ *Work*
- ✓ *Exam preparation*
- ✓ *Cultural openness*

Conclusion

As an individual

Richness of exchanges

Cultural openness

Acquisition of an experience to share around
of oneself, both at the family and associative level.

Conclusion

For the learners themselves

Moving from fear to trust
Stimulation within the group
Mutual knowledge and diligence.

The stability of the group, its size and the benevolent exchange are sources of success.

Conclusion

Questions arise

How much time should be allowed for learning / needs?

How to combine language learning, job search, daily management, including monitoring the children's schooling and activities, etc.? ?

The teacher a facilitator, a mediator.

Language learning: a platform or the heart of a network?
