Thanks for helping out with my problem. I have sent you a bank card by post and would be grateful if you would withdraw funds from ATM's over the coming weeks. It will take some time to withdraw the money because of the limits placed on withdrawing money, so you may want to do withdrawals on a daily basis.

As I said before, I do not want anyone to know that I have been lucky in the lottery, so it would be helpful if you would take care not to use the same ATM more than once and also wear your crash helmet to avoid recognition by the ATM camera. I know we are meeting up again at the next motor cycle event so am happy for you to keep the money till then. Please keep €2,500 for your trouble. If you have any questions, please let me know.

Thanks again

Ralph

Hey Ralph,  
 Good to hear from you and congratulations on your good luck. Of course I am happy to share in it as long as I am not doing anything illegal ;0)  
 Let me know what you need from me.  
 All the best  
 Kuntz, your expat friend  
 PS - do you have any photo's from the cruise to share? Maybe we should start a yahoo group for the cycle club, that is why we got the bloody yahoo emails in the first place, what do you think, shall we ask Ivanka if she will run it. It would be the sort of thing she would like?

Hey,

it was great to meet you on the cruise. As you may remember, I was going through some personal difficulties at the time and your friendship allowed me to have a great time. I have had some luck since I got back and have won a good sum of money on the lottery. I need to be able to collect that money in cash and wonder if you would be able to help me. I have some bank accounts that I need to take money from. I do not want anyone to know that I have the money. If you are interested in helping me, please reply to this email address and I will let you know more.

Thanks  
 Your friend  
 Ralph
