## I. INTRODUCTION

This call for proposals is launched in the framework of the joint European Union and Council of Europe programme “Horizontal Facility for the Western Balkans and Turkey II” (Horizontal Facility II), under the Action “Promotion of Diversity and Equality in North Macedonia”. The programme is co-funded by the European Union and the Council of Europe and implemented by the Council of Europe. The call aims to fund national/local projects aimed at local self-governments and/or civil society organisations.

The Call aims to support selected grantees in **developing concrete activities and responses on combating hate speech**.

Project proposals shall aim to produce an added value to the Council of Europe/the European Union efforts in this domain.

## II. BACKGROUND INFORMATION ON THE COUNCIL OF EUROPE PROJECT

The purpose of the Action is improving the functioning of anti-discrimination mechanisms and their accessibility to vulnerable groups in line with European standards, especially with recommendations from CoE monitoring bodies, notably those from the European Commission against Racism and Intolerance (ECRI).

In particular, it aims to:

- Support initiatives to harmonise the anti-discrimination framework across the country and to develop and implement the respective action plans/strategies in relation to anti-discrimination, LGBTI rights and hate speech;
- Strengthen the capacity of the authorities, local governments and/or equality bodies in order to allow them to better tailor their interventions to address discrimination and increase cooperation among authorities in this field;
- Increase the knowledge and awareness of the general public about the importance of anti-discrimination policies, about the rights of LGBTI persons and about the dangers posed by hate speech, offering means to develop counter-narratives.

Project partners include institutions of North Macedonia (Ministry for Labour and Social Policy, Institution of Ombudsman, Ministry of Foreign Affairs, Ministry of Justice), as well as the European Union delegation in Skopje, civil society organisations, local authorities and other relevant stakeholders. These projects are co-funded by the European Union and the Council of Europe.
