the friendly settlement of any difficulty that may arise out of the application of the Council of Europe conventions in the penal field;

2. the CDPC took note that it was informed by the same delegation that since bilateral dialogue had so far not given results, it had decided to request a friendly settlement;
3. the CDPC took note of the setting in motion of the procedure in accordance with Article 10 of the Appendix to Recommendation No. R (99) 20 by the requesting State and of the readiness expressed by two other delegations to participate in a possible working party in line with the Recommendation once this procedure also involves the requested State;
4. the CDPC also took note that the other delegation involved in the difficulties under review stated that although it valued highly multilateral co-operation within the CDPC, it opposed categorically the consideration of the matter at hand at a multilateral level. The same delegation expressed a clear preference to address the issue bilaterally and stated its readiness to continue bilateral dialogue;

The CDPC noted that Denmark made the following statement:

*Denmark notes that Turkey opposed the consideration of the matter at multilateral level. Denmark also notes that Turkey expressed a clear preference to address the issue bilaterally. On this background, Denmark expects that Turkey swiftly will provide Denmark with precise and satisfactory answers to our legitimate questions and requests in the matter at hand.*

The CDPC noted that Turkey made the following statement:

*Turkey is at the forefront of the global counter-terrorism efforts. It remains committed to combatting terrorism in all its forms under the all-inclusive road map formulated by the UN Global Counter-Terrorism Strategy. In this vein, Turkey has become party to all international instruments and concluded bilateral agreements with over seventy countries. Turkey expects all members of the international community to fully comply with their obligations in this regard. Meanwhile, the matters which are under consideration at bilateral level between the relevant countries need not to be brought to the floor of CDPC.*
