EUROPEAN ROMA INSTITUTE FOR ARTS AND CULTURE

Management Response and Action Plan

3rd Independent Evaluation of the European Roma Institute for Arts and Culture (ERIAC)

September 2019 – July 2021

Framework contract no. 2021/FC/01

Prepared for: DGII – Directorate General of Democracy, Council of Europe

Name of Evaluation Report:	3 rd Independent Evaluation of the European Roma Institute for Arts and Culture (ERIAC) September 2019 – July 2021				
Date of Evaluation Report:	19 October 2021	Date of Action Plan:	January 31 2022		

Overall management response to the evaluation:

ERIAC management welcomes the positive evaluation of ERIAC's performance in the period between September 2019 and July 2021, with regards to the relevance, effectiveness, efficiency, sustainability and added value. We especially appreciate the remark that "ERIAC's work also contributes to a paradigm shift, which implies that anti-discrimination and cultural identity are prerequisites for the successful social inclusion of Roma" as it shows the broader impact of ERIAC's work. This is the third consecutive independent evaluation of ERIAC which has provided positive feedback regarding ERIAC's operations.

We find the methodology of data collection and analysis to be rigorous and evidence-based and appreciate the meticulous evaluation of different aspects of ERIAC's work and areas of activity.

ERIAC welcomes the recommendation made in the independent evaluation as valuable and constructive. Improving ERIAC's work following these recommendations will further increase ERIAC's ability to make substantial impact in the field.
