

## CALLS FOR PROPOSALS IN THE FRAMEWORK OF THE EURIMAGES GENDER EQUALITY, DIVERSITY AND INCLUSION STRATEGY: QUESTIONS & ANSWERS

### 1. CALL FOR SPONSORSHIP PROPOSALS

Should the mandatory estimated budget and financing plan templates cover only the first year of the initiative, or the full three-year implementation period of the initiative?

The estimated expenses and the expected financing shall only cover the first year, expecting that successive editions of the same initiative would elicit a nearly identical amount of expenses / financing and globally be very similar to the first year of implementation.

The amount asked for “Grant by Eurimages” in the template(s) shall accordingly only refer to the first year of implementation and be limited to a maximum of €10,000 (ten thousand euros) per year each, granted for a maximum duration of 3 (three) years (e.g. €10,000 for year 1; €10,000 for year 2 and €10,000 for year 3, if renewed further to year 1).

For workshops, should the specific topics to be covered over the three-year period already be defined in the application?

If the overall framework of the workshop, including its general theme, is clearly described in the application, and the procedure for selecting topics for future editions in years 2 and 3 is outlined, it is sufficient to specify only the topics for the workshop planned in year 1.
