The screenshot shows the top navigation bar of the Council of Europe Media Asset Management system. On the left, there is a search bar and a filter menu. The main header area contains the text "Welcome to the Council of Europe" and "Media Asset Management". On the right, there is a language selector set to "français" and a user profile dropdown menu labeled "guest". A red circle highlights the "guest" dropdown. A blue arrow points from this dropdown to a secondary dropdown menu that is open, showing theme options: "Cyborg", "LAPIS Light" (selected with a checkmark), "LAPIS Dark", "Slate", and "United". At the bottom of this menu is a blue "Login" button. A blue arrow also points from the "Login" button back to the "guest" dropdown in the top bar.

The screenshot displays the Council of Europe Media Asset Management (MAM) interface. At the top left, the Council of Europe logo and name are visible, along with navigation links for 'CREATE NEW', 'MY AREA', and 'OPERATIONS'. A search bar is located in the top left corner, with an orange arrow pointing to it from the text 'Boite de recherche'. The main header area features a large banner with the text 'Welcome to the Council of Europe Media Asset Management' and a sub-header 'The Media Asset Management system (MAM) collection covers Council of Europe activities from 1949 to the present. These recordings are available for download.' Below this, a 'Latest videos' section shows a row of video thumbnails, each with a play button icon. On the right side of the interface, the user profile 'pace_guest' is displayed, with an orange arrow pointing to it from the text 'Connexion réussie avec le profil pace_guest'. The interface also includes a sidebar with search filters and a 'Content' section on the right.

Content

The collection comprises:

- Audiovisual recordings of the speeches made during all sessions of the Parliamentary Assembly and the Congress of Local and Regional Authorities, the World Forum for Democracy, as well as speeches made during some sessions of the European Parliament
- Recordings of press conferences and radio broadcasts
- Interviews with leading figures from contemporary history.

The latest recordings of events and sessions are uploaded directly in the MAM and available for download. Press contacts and journalists can use it directly for the coverage of Council of Europe events and sessions.

Sélectionner la vidéo

The screenshot shows the Media Asset Management interface for the Council of Europe. The left sidebar contains a folder tree with 'Extraordinary Session (14-15 March 2022)' selected. The main area displays a list of video assets under the folder 'Extraordinary Session (14-15 March 2022)'. Four video thumbnails are visible, each with a play button icon and a duration. A blue arrow points from the text 'Sélectionner la vidéo' to the first video thumbnail.

Démarrer la lecture de la vidéo

The screenshot shows the Media Asset Management interface with a video player. The video player is displaying a video with a red circle around the play button. The video player shows the video title 'Extraordinary Session March 2' and the duration '00:45:12:04'. The video player is embedded in the Media Asset Management interface. A blue arrow points from the text 'Démarrer la lecture de la vidéo' to the play button.

Couper, extraire et partager une séquence 2/ 7

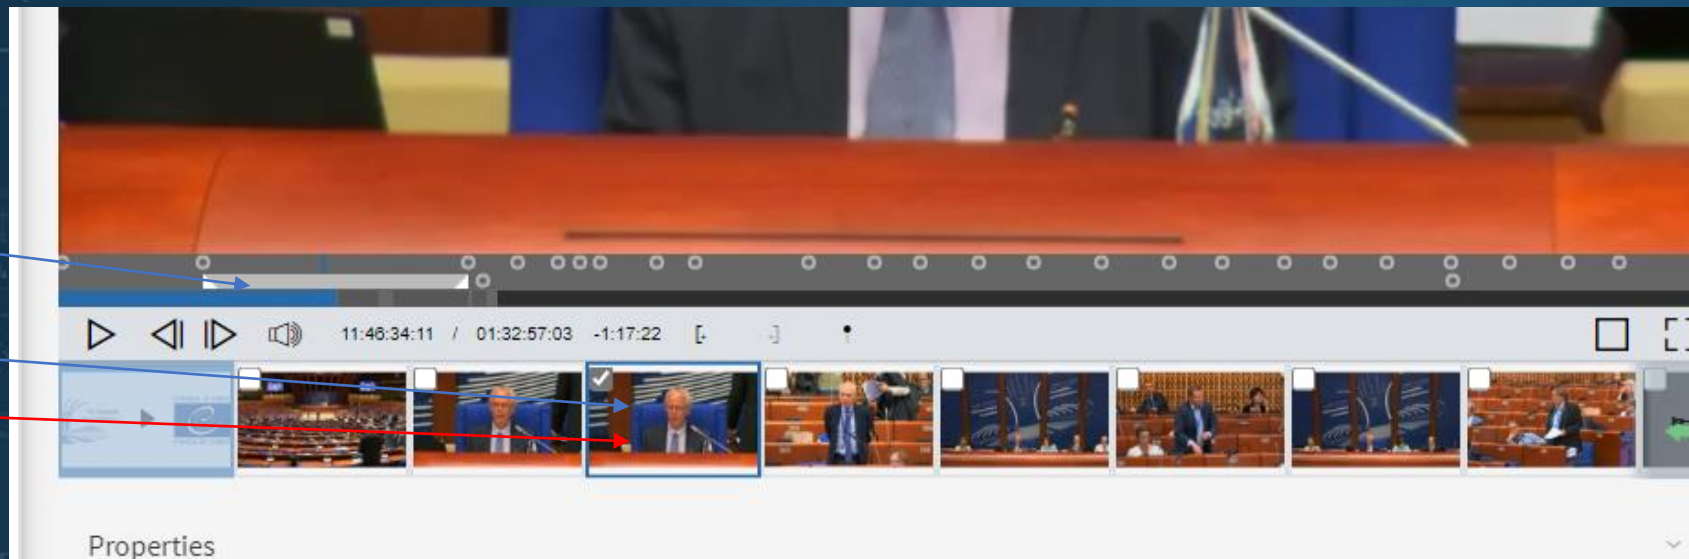

The screenshot displays the Media Asset Management interface for the Council of Europe. The main content area shows a video file named "20220623122910-[REC].mxf (application/mxf) (FileRecord-Video)" with a duration of 00:02:18:19. The video player shows a man speaking at a conference table. Below the player, two blue arrows point to the "Mark in" and "Mark out" controls. To the right, a list of transformations is shown, including "transcode_20220623122910-[REC].mp4" (1.63 MB) and several "thumbnail_20220623122910-[REC].jpg" files (1.76 kB to 3.16 kB). The interface also includes a search bar, a folder tree on the left, and a top navigation bar with the Council of Europe logo and "Media Asset Management" title.

The screenshot displays the Media Asset Management interface for the Council of Europe. The main content area shows a video file named "transcode_20220623122910-[REC].mp4 (video/mp4)" with a duration of 2:03:06 PM. The file was last modified by Alain Mielle on 4/19/2023. Below the file name, there are buttons for "Download Hi Res", "Download Low Res", "Transcode", and "Send for Validation". A video player is embedded, showing a man in a suit speaking at a podium. To the right of the player, there is a "Transformed From" section showing the original file "20220623122910-[REC].mxf" (285.79 MB) and a "Transformations" section listing generated assets: "thumbnail_transcode_20220623122910-..." (3.15 kB), "imagePreview_transcode_20220623122910-..." (22.07 kB), and "videoPreview_transcode_20220623122910-..." (33.6 kB). The interface includes a search bar, a folder tree on the left, and a top navigation bar with "CREATE NEW", "MY AREA", "OPERATIONS", and "Media Asset Manage...".

The screenshot shows a web browser window with the URL: https://mediacoebox.coe.int/objects/64462d69a0903d1a8b1f5661%401/7c4f5bca017e9cbd055318ad%401/8ad5314028dc917c4f5bca017e9cbd05thumb_2022_01_27-14_59_35-... The browser's address bar and tabs are visible, along with the Media Asset Management interface in the background. The interface shows a list of files with their IDs, such as "15904DCC32011ECACE...", "1688641C4EBF11ECB9D...", "16C6328E123F11ECB54...", "17D6A624275111ECB9D...", "1CBFF580A49411ECACE...", and "1E0B25B6C64611ECACE...".
