

Global Education

Global education promotes **awareness, critical thinking, and responsible global citizenship**, helping people to understand and take action on global challenges.

Global Education is education that opens people's eyes and minds to the **realities of the globalised world** and awakens them to bring about a **world of greater justice, equity and Human Rights for all**.

It aims to give individuals the **knowledge and tools to become active global citizens**.

UN SDGs

Global Education is a part of the **UN SDG 4**: “**Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all**”

SDG 4.7

Specifically, Global Education is part of **Target 4.7**, which aims to “ensure that, by 2030, “all learners acquire the **knowledge and skills needed to promote sustainable development**, including, among others, through education for sustainable development and sustainable lifestyles”.

This includes human rights, gender equality, peace, global citizenship, and cultural diversity and intercultural dialogue.
