THE PROJECT

The “Technical Assistance Project on Delivering Good Governance in Greece – Part II: Provide Support for the Development of Inter-Municipal Cooperation” was implemented by the Centre of Expertise for Good Governance of the Council of Europe, upon request of the Greek Ministry of Interior, and in collaboration with the Hellenic Agency for Local Development and Local Government and the Regional Development Institute of the Panteion University.

The project was co-funded by the DG REFORM of the European Commission, and it started in March 2019.

The main objective of the project was to strengthen the capacity of Greek municipalities to deliver quality and efficient services to the citizens, in particular through inter-municipal cooperation.

The Final Conference will take stock of the main outcomes of the project, providing visibility to the beneficiaries and promoting among the participants the deliverables produced during its implementation.
