## The New European Bauhaus: Beautiful – Sustainable – Together ERIH Annual Conference 2023

### Summary

ERIH Annual Conference with more than 100 delegates on site and 80 online, workshops, site visits to industrial sites in Basque Country as well exchange with politicians.

"The New European Bauhaus" (NEB) is framework that aims to be a bridge between the world of science and technology, the world of art and culture and community engagement. The NEB is an interdisciplinary initiative that demonstrates how sustainable innovation brings tangible and positive experiences to our daily lives. It calls on all of us to imagine and build together an enriching, sustainable and inclusive future. Industrial heritage provides an ideal opportunity for communities to realize this.
