Iron Route in the Pyrenees

More than swords: iron in Roman times

Summary

Integrated in the summer classes of the University of the Basque Country, this initiative of the Provincial Delegation of Gipuzkoa in collaboration with the Oiasso Museum of Irun looks at the results of recent archaeological research associated to Roman mining and metallurgy in the context of the Empire. It brought together internationally recognized specialists in the field of archaeometallurgical research from Spain, France and Italy.

Date and Venue

31 August – 1 September 2023
Irun, Spain

Fields of action
