

Multilevel governance: Coping in an Unpredictable World

together

EUROPEAN COMMITTEE ON DEMOCRACY
AND GOVERNANCE (CDDG)

WORKING GROUP ON MULTILEVEL GOVERNANCE
(GT-A)

Prof Dr Louis Meuleman

- Vice chair United Nations Committee of Experts on Public Administration
 - Visiting professor Leuven University;
 - Director, Public Strategy for Sustainable Development, Brussels
- Dr Ingeborg Niestroy
- Director, Public Strategy for Sustainable Development, Brussels

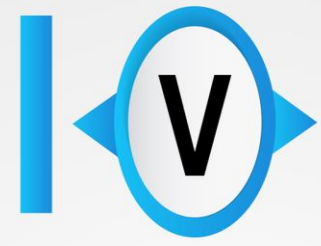

Chapter

A Metagovernance Approach to
Multilevel Governance and Vertical

VOLATILITY

VISION

UNCERTAINTY

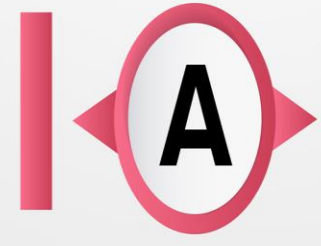

UNDERSTANDING

COMPLEXITY

CLARITY

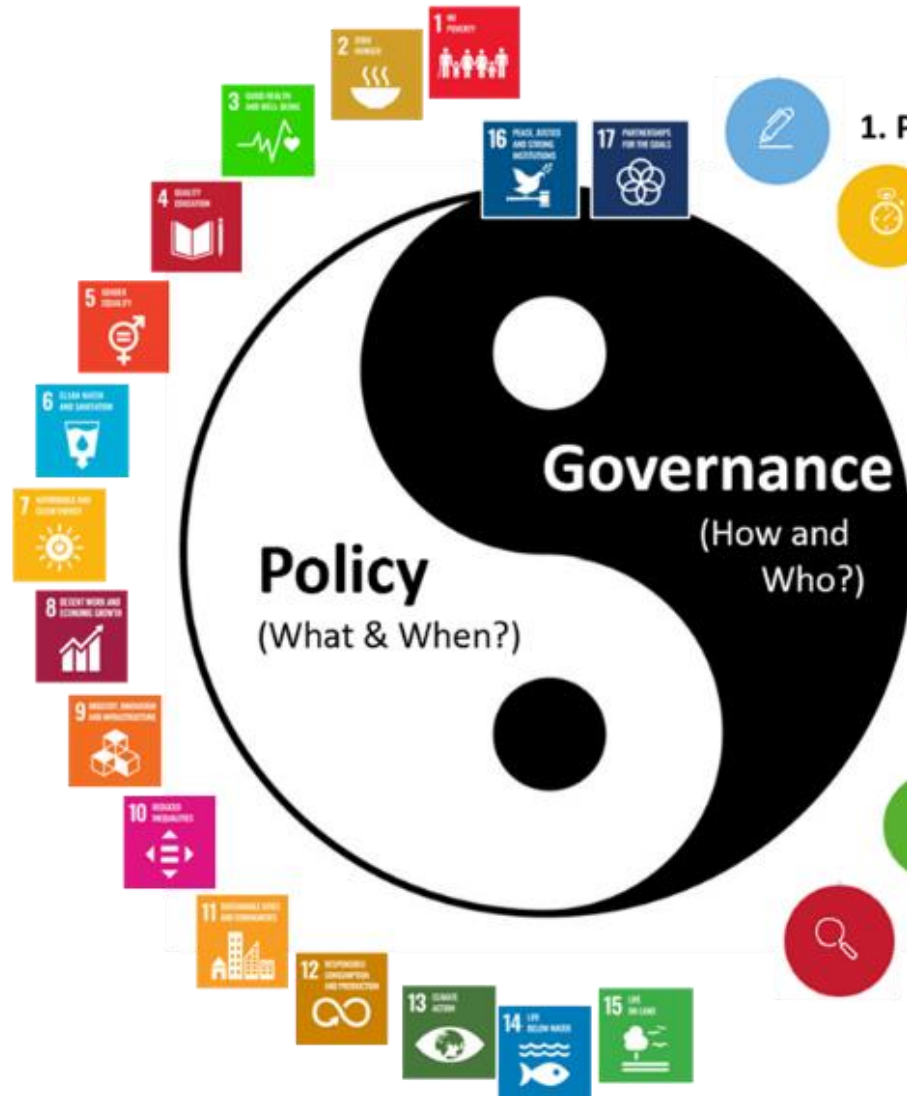

AMBIGUITY

AGILITY

- **Sound policy** and **effective governance** need each other
- **Policy** gives the direction but to get things done, “ultimately, it’s all about **governance**”

The 2030 Agenda

Policy Coherence for Sustainable Development (SDG 17.14)

Pillar I: Vision and leadership

Pillar II: Coordination mechanisms

Pillar III: Impact

Coordinate system: Governance for sustainable development
