Candidacy for the 7th vice-presidency of the Chamber of Regions

Dear Sir or Madam,

It is with great honour that I submit my candidacy for the position of 7th Vice President of the Chamber of Regions. With my unwavering commitment to the core principles of European values; democracy, human rights, and the rule of law, I am ready to contribute to strengthening of local and regional governments in our regions.

Considering the challenges faced by democracy in the changing political landscape of today's world, the protection and promotion of Europe's democratic values and principles of good governance has never been more critical.

As a Provincial Councillor in Turkiye and an active member in the Congress, i wish to become more involved in the development and implementation of the policies and activities of the Congress.

I hope that my candidacy finds support among you, my esteemed colleagues, and I would like to express my strong belief that together and in solidarity, we will make our democracies even stronger and more qualified at the local and regional levels.

Please accept my sincerest regards,

Güneş Pehlivan
