

**HF10\_NMPRIIS\_AOE020\_2023 – Purchase of domestic consultancy services in the areas of penitentiary institutions and police oversight in the Republic of North Macedonia**

Question	Answer
In regards to your <u>Call for domestic consultants – penitentiary system and External Oversight Mechanism</u> published on your web-site, we would like to submit a bid as a <u>team of consultants</u> , given the multiple expertise required for successful completion of tasks and deliverables presented in the Terms of Reference. Is that in compliance with your tendering rules?	<i>As stated in the tender file, the tenderer must be a natural person, thus teams of consultants are not eligible.</i>
