

Enhancing the capacities of the penitentiary system and the External Oversight Mechanism in North Macedonia

What is the goal?

The Action will assist the authorities in North Macedonia in overcoming identified shortcomings related to the protection of human rights, by strengthening the capacities of the penitentiary system and the External Oversight Mechanism (EOM) over the work of the officers with police authority.

Who benefits from the Action?

The Action will be implemented in co-operation with the Ministry of Justice (Directorate for Execution of Sanctions), the Public Prosecutor's Office, the Ombudsman's Office, and the Ministry of Health. It will also involve key partners and stakeholders, including civil society organizations. The citizens in North Macedonia will be impacted from the Action, which contributes in building a more secure and humane society that respects and protects the rights of detained and sentenced persons in line with the Council of Europe standards.

How will the Action work?

Aiming to better protect the rights of sentenced persons, the Action directly supports the implementation of the recommendations from the latest European Committee for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment (CPT) report, the National Strategy for Development of the Penitentiary System and the National Strategy for Prevention of Violent Extremism by using a tailor-made approach and peer exchanges. The Action builds on the results of the co-operation activities achieved under the two previous EU and Council of Europe Actions, namely "Strengthening the protection of the rights of sentenced persons" and "Enhancing Human Rights Policing", implemented in the period 2016 – 2019.

What do we expect to achieve?

The Action will contribute to a safer and more humane society by:

- ▶ increasing the capacities of prison managers and staff on radicalisation in prisons
- ▶ improving the treatment and rehabilitation of inmates
- ▶ strengthening the provision of health care in prisons
- ▶ increasing the EOM staff capacities on conducting investigations into cases of police ill-treatment

How much will it cost?

- ▶ the total budget of the Action is 1,050,000 EUR
- ▶ the budget allocated to the overall Horizontal Facility programme amounts to ca. 41 Million EUR (85% funded by the European Union, 15% by the Council of Europe).
