EXPECTED DELIVERABLES

Background of the Project

"Quality education for all" is an action on education implemented in Bosnia and Herzegovina within the framework of the second phase of the "European Union - Council of Europe Horizontal Facility for Western Balkans and Turkey (HF)". The Horizontal Facility supports justice reform, the fight against corruption and money laundering and combating discrimination and protecting the rights of vulnerable groups, and covers Albania, Bosnia and Herzegovina, Montenegro, Republic of North Macedonia, Serbia as well as Kosovo².

The project is implemented throughout a period of 36 months (23 May 2019 – 23 May 2022) by the Education Department and the project team based in the Council of Europe office in Sarajevo. The main partners of the project are the Ministry of Civil Affairs of Bosnia and Herzegovina, all relevant entity and cantonal ministries of education.

The main goal of the project is to foster a quality education for all by promoting inclusion and solutions to address discrimination in the education system and in this way contribute to an inclusive, peaceful and democratic society with engaged citizens in Bosnia and Herzegovina. The main impact hypothesis is that education plays a key role in developing the knowledge and competences necessary for someone to become an engaged citizen. The project will help strengthen the capacity of the Bosnia and Herzegovina education system to fulfil this role.

The Council of Europe is looking for a maximum of 5 Providers (provided enough tenders meet the criteria indicated below) in order to support the implementation of the project with a particular international expertise on development of geography curricula for primary and secondary schools based on learning outcomes, anti-discrimination, inclusive education and a democratic school culture.

This Contract is currently estimated to cover up to 5 activities, to be held by 23 May 2022. This estimate is for information only and shall not constitute any sort of contractual commitment on the part of the Council of Europe. The Contract may potentially represent a higher or lower number of activities, depending on the evolving needs of the Organisation.

For information purposes only, the total budget of the project amounts to 800,000 Euros and the total amount of the object of present tender **shall not exceed 10,000 Euros tax exclusive** for the whole duration of the Framework Contract. This information does not constitute any sort of contractual commitment or obligation on the part of the Council of Europe.
