I. INTRODUCTION

This call for proposals is launched within the programmatic framework “Horizontal Facility for the Western Balkans and Turkey II”. The HF26 Action “Preventing and Combating Human Trafficking in Serbia” will co-fund 2 (two) projects aimed at **raising awareness among general public and children, parents and caretakers, child protection, health and education professionals on trafficking in children**. These projects are to be implemented by non-governmental organisations and other non-profit legal entities registered in Republic of Serbia.

The Group of Experts on Action against Trafficking in Human Beings (GRETA), in its second evaluation report (GRETA 2017/37), considered that despite progress made with anti-trafficking measures, national institutions should step up efforts to reduce children’s vulnerability to trafficking and to improve the identification and assistance of child victims, **by raising awareness on child trafficking and its different manifestations (including forced begging, forced marriage and forced criminality)** and by strengthening the capacity and resources of child protection professionals. Furthermore, GRETA considered that the national authorities should continue to carry out information and awareness-raising campaigns about the risks of child trafficking.

In view of the above, the HF26 II Action is launching call for grants, which is to be opened to non-governmental organisations and other non-profit legal entities. The purpose of the 2 (two) grants is to **contribute to a heightened awareness about the risks of trafficking in children, including in the digital environment, the forms of exploitation and the most common methods used by traffickers to trap children into trafficking**. The grants should target **primary and high school children, children from disadvantaged communities (for example, Roma) or in vulnerable situations**. Each proposed awareness-raising project should target **at least 1000** persons and should carry out an impact assessment following the project implementation.

Project proposals shall aim to produce an added value to the Council of Europe efforts in this domain.

II. BACKGROUND INFORMATION ON THE COUNCIL OF EUROPE PROJECT

The programmatic framework “Horizontal Facility for the Western Balkans and Turkey II”, co-funded by the European Union and the Council of Europe, and implemented by the Council of Europe, aims at assisting beneficiaries in South-East Europe to comply with Council of Europe standards and European Union acquis in the framework of the enlargement process. In particular, the Action HF26 “Preventing and Combating Human Trafficking in Serbia” seeks to assist the beneficiary institutions to follow up on the recommendations of GRETA provided in its second evaluation report (GRETA 2017/37).

In particular, HF26 action focuses on the following areas of intervention: (i) improved anti-trafficking responses and victim protection measures through capacity-building of key stakeholders, including legal professionals, media representatives/journalists and health care professionals; (ii) improved detection and identification of, and assistance to victims of human trafficking for the purpose of labour exploitation; (iii) improved detection and identification of, and assistance to, child victims of human trafficking and improved anti-trafficking responses through capacity-building of education professionals;

The project partners include the Ministry of Interior - National Anti-trafficking coordination office, the Ministry of Employment, Labour, Veteran and Social Affairs - Labour Inspectorate and Centre for Human Trafficking Victims’ Protection, the Ministry of Education, Science and Technological Development, the Ministry of Health, the Ombudsperson’s Office as well as civil society organisations.

Two (2) project proposals on awareness raising on child trafficking will be selected from among the project proposals submitted by non-governmental organisations and other non-profit legal entities to the public call. Each of the successful project proposals will receive a grant not exceeding 15,000 euros for the implementation of the project – the awareness raising campaign.

III. BUDGET AVAILABLE

The indicative available budget under this call for proposals is 30,000 Euros (thirty-thousand Euros). The Council of Europe will award 2 (two) grants of a maximum amount of 15,000 Euros each. The grantee will need to ascertain that the expenditure in the local currency corresponds to the above-mentioned amount (in line with the Euro foreign exchange reference rates).

Subject to availability of funds and extension of the Project initial duration, the Council of Europe reserves the right not to award all available funds, and/or to redistribute the available funds in a different manner depending on the project proposals received and on the outcome of the call for proposals.

IV. REQUIREMENTS

The implementation period of the projects should start on 15 February 2021 (see indicative timetable under VIII. below) and shall not extend beyond 05 July 2021.

Reporting requirements shall be completed on **05 August 2021 at the latest**.

Projects completed prior to the date of submission of the applications will be automatically excluded. As regard projects started prior to the date of submission of the applications, or prior to the date of signature of the grant agreement, only those costs incurred after the date of submission of the grant application could be eligible (provided the agreement concerned so provides).

The Council of Europe reserves the right to ask for summary translations of invoices into English. If for legal reasons the original documents must be retained by the Grantee, certified copies must be submitted with the financial statement.

“Appropriate original supporting documents” refers to signed contracts, invoices and acceptances of work (for all transactions), payment authorisation for all transactions should also be provided in case the Grantee uses such practice, and reliable evidence of payment (authorised payment order and bank statement).

As regards round tables / conferences, presenting “appropriate original supporting documents” requires presentation of a programme indicating the title, dates, venue, and agenda of the event; the names of persons facilitating the event, a signed list of participants, the contracts with the owner of venue of the event (e.g. hotel) for the rent of premises, food and beverages of participants, invoices from the owner of the venue of the event for the above services, and a report on the results of the event (see narrative reporting above).
