I. INTRODUCTION

This call for proposals is launched in the framework of the Council of Europe Project “Horizontal Facility (HF29) Action on Preventing and Combating Human Trafficking in North Macedonia, phase II”. It will co-fund 2 (two) projects aimed at raising awareness among general public and in particular children, parents, including those from the Roma community, child protection, health and education professionals on trafficking in children. These projects are to be implemented by non-governmental organisations registered in North Macedonia.

The Group of Experts on Action against Trafficking in Human Beings (GRETA) in its second evaluation report (GRETA(2017)39) considered that the national authorities should strengthen their efforts in the area of prevention of child trafficking, among other, by **raising awareness of child trafficking and its different manifestations (including forced begging, forced marriage and forced criminality)** and by strengthening the capacity and resources of child protection professionals. Furthermore, GRETA considers that the national authorities should continue to carry out information and awareness-raising campaigns about the risks of child trafficking.

In view of the above, the HF29 II action is launching call for grants, which is to be opened to non-governmental organisations. The purpose of the 2 (two) grants is to contribute to a heightened awareness about the risks of trafficking in children, its forms of exploitation and the most common methods used by traffickers to lure child victims into trafficking. The grants should target primary and high school children, their caretakers, education and medical personnel. Each proposed awareness-raising project should target **at least 350 persons** and should carry out an impact assessment following the project implementation.

Project proposals shall aim to produce an added value to the Council of Europe efforts in this domain.

II. BACKGROUND INFORMATION ON THE COUNCIL OF EUROPE PROJECT

The Horizontal Facility II is the second phase of a co-operation initiative, co-funded by the European Union and the Council of Europe and implemented by the Council of Europe, aimed at assisting beneficiary institutions in South-East Europe to comply with the Council of Europe standards and European Union *acquis* in the framework of the enlargement process.

In particular, the action HF29 “Preventing and Combating Human Trafficking in North Macedonia” (phase II) aims to assist the beneficiary institutions to follow up on the recommendations of GRETA provided in the second evaluation report (GRETA (2017)39). In particular, the HF 29 action focuses on the following areas of intervention: *i*) improving anti-trafficking responses of legal and health professionals mainly through capacity building activities; *ii*) improved detection and identification of and assistance to victims of human trafficking for the purpose of labour exploitation; *iii*) improved detection and identification of and assistance to child victims of human trafficking; and *iv*) improved access to compensation for victims of trafficking.

Project partners include the National Commission for Combating Trafficking in Human Beings and Illegal Migration, the Ministry of Interior, the Ministry of Labour and Social Policy, the State Labour Inspectorate, the Ministry of Justice, the Ministry of Health, the Bureau for Development of Education, as well as civil society organisations.

Two (2) project proposals on awareness raising on child trafficking will be selected from among the project proposals submitted by non-governmental organisations to the public call. Each of the successful project proposals will receive a grant not exceeding 15,000 euros for the implementation of the project – the awareness raising campaign.

III. BUDGET AVAILABLE

The indicative available budget under this call for proposals is 30,000 Euros (thirty-thousand Euros). The Council of Europe will award 2 (two) grants of a maximum amount of 15,000 Euros each. The grantee will need to ascertain

that the expenditure in the local currency corresponds to the above-mentioned amount (in line with the Euro foreign exchange reference rates).

Subject to availability of funds and extension of the Project initial duration, the Council of Europe reserves the right not to award all available funds, and/or to redistribute the available funds in a different manner depending on the project proposals received and on the outcome of the call for proposals.

- Any other means of action compatible with the aims and values of the Council of Europe.

Please note that the project should provide a brief overview of ex-ante baseline assessment and should carry out an assessment of the awareness-raising activity. To this end, the project should explain the foreseen methodology for such an assessment in respect of the proposed means of action.

3. Implementation period

The implementation period of the projects should start on 01 July 2020 (see indicative timetable under VIII. below) and shall not extend beyond 31 May 2021.

Reporting requirements shall be completed on 15 June 2021 **at the latest**.

Projects completed prior to the date of submission of the applications will be automatically excluded.
