

## Strengthening human rights treatment of detainees based on European standards and best practices in Bosnia and Herzegovina

### What is the goal?

- ▶ To further strengthen the safety and protection of persons deprived of liberty in line with the European standards from their apprehension in the law enforcement agencies, to their rehabilitation in prisons and closed environments, and through reintegration upon the release.
- ▶ To support the implementation of Information Technology (IT) system encompassing collection and processing of electronic data in prison.

### Who benefits from the Action?

- ▶ Decision makers and national authorities, whose capacities will be further enhanced
- ▶ Law enforcement officers, prison staff and forensic institution staff, who will further develop their professional skills
- ▶ Detained persons, prisoners, forensic patients, who will enjoy more safeguards
- ▶ Citizens of Bosnia and Herzegovina, who will be living in a more secure and safe environment and the society at large

### How will the Action work?

- ▶ It builds on the results of the previous Action under HF Phase I (2016-2019), "Enhancing human rights protection for detained and sentenced persons"
- ▶ It will use a combination of capacity building, accreditation of local training structures, multi-agency co-operation and peer learning, as well as piloting of treatment programmes for prisoners
- ▶ Activities on rehabilitation, re-socialisation and reintegration of detainees are tailor made to local practices through working group sessions

### What do we expect to achieve?

- ▶ To improve human rights compliance of law enforcement agencies
- ▶ To enhance treatment of prisoners through the application of case management system in prisons
- ▶ To strengthen treatment of forensic patients through application of specialised treatment programmes within the case management system
- ▶ To introduce electronic exchange of prison-related data

## About Horizontal Facility for the Western Balkans and Turkey

The “Horizontal Facility for the Western Balkans and Turkey 2019-2022” is a joint initiative of the European Union and the Council of Europe that enables the Beneficiaries to meet their reform agendas in the fields of human rights, rule of law and democracy and to comply with the European standards, including where relevant within the framework of the EU enlargement process. This three-year programme covers actions in Albania, Bosnia and Herzegovina, Montenegro, North Macedonia, Serbia, Turkey, as well as Kosovo\* and it is implemented by the Council of Europe from May 2019.

*\*This designation is without prejudice to positions on status and is in line with UNSCR 1244 and the ICJ Opinion on the Kosovo Declaration of Independence.*

The Council of Europe is the continent’s leading human rights organisation. It comprises 47 member states, including all members of the European Union. All Council of Europe member states have signed up to the European Convention on Human Rights, a treaty designed to protect human rights, democracy and the rule of law. The European Court of Human Rights oversees the implementation of the Convention in the member states.

[www.coe.int](http://www.coe.int)

The Member States of the European Union have decided to link together their know-how, resources and destinies. Together, they have built a zone of stability, democracy and sustainable development whilst maintaining cultural diversity, tolerance and individual freedoms. The European Union is committed to sharing its achievements and its values with countries and peoples beyond its borders.
