

The background of the slide features a close-up of a wooden gavel resting on a wooden block. The gavel is positioned diagonally, with its head on the left and its handle extending towards the right. The background is a dark blue with a pattern of white binary code (0s and 1s) that appears to be scrolling or moving across the screen. The lighting is dramatic, highlighting the texture of the wood and the sharp edges of the gavel.

Instruments and norms to regulate the use of algorithms

A sample of interventions from a variety of jurisdictions
