

Information for Producers

Main changes in the Regulations for Co-production Support 2019

1) General provisions (2.1.3)

Projects submitted must be co-productions between at least two independent producers, established in different member states of the Fund, **of which at least one is a member state of the Council of Europe.**

2) Technical and artistic co-operation and financial co-productions (2.5.1)

Projects must display artistic and/or technical co-operation between at least two co-producers established in different member states of the Fund, **of which at least one is a member state of the Council of Europe.**
