

An aerial photograph of a large crowd of people, mostly wearing light-colored clothing, sitting on the ground. A person in a light blue shirt and dark pants is hanging from a thin wire, suspended in the air. The word "Participation" is written in large, white, sans-serif font across the center of the image, with "LUBLIN" in a smaller, white, sans-serif font below it.

with NGOs programme

NGOs council as an advisory body

A woman with short blonde hair and glasses is speaking into a black microphone. She is wearing a grey sweater and a blue patterned scarf. In the background, other people are visible, some looking towards her. The scene appears to be a public consultation or meeting.

Public Consultations

Support to Municipality's departments when it comes to public consultations of their activities.

Public consultations:

- open meetings with residents
- workshops
- public hearings
- consultations help desk
- civic panel
- quantitative and qualitative surveys
- participatory budgeting

statements of experts and sides

final recommendations
for the Municipality

A large photograph of a park scene. In the foreground, a large tree trunk is on the right. In the middle ground, a group of people are standing on a grassy area. In the background, there are more trees and a building. A white-bordered inset in the lower-left shows a person in a green shirt working in a garden.

Local Initiative

Residents, together with the Municipality, can undertake a project to increase the quality of life in Lublin

Including foreigners and minorities into Lublin's life

**Model of participatory management
of cultural diversity of Lublin,
elaborated in cooperation with Swiss
canton Neuchâtel**

Cooperation with:

Local NGOs working in the field
of integration

Polish local governments within
Migration and Integration group
of the Union of Polish Metropolises

International local governments within
the Council of Europe's Intercultural
Cities Programme

Active Mobility

Lublin on a bike and Lublin on foot

Educational campaigns promoting active mobility

Theoretical and practical education in schools (over 12 000 pupils took part since 2011)

Pedestrian and bike projects consultations with end users

Promoting of sustainable transport

Thank you
