Post 02

In 2020 NWC has highlighted how sexism is linked to violence against women and girls & creates a climate of intimidation & discrimination. With @NTWFIRL and @AkiDwA we've raised how sexist abuse intersects with racism and homophobia. #stopsexism #16Days #itstopsnow

Post 03

With @Europarl_EN we discussed women not running for political office out of fear of being abused and harassed, because they are women. #stopsexism #16Days #itstopsnow

(Image-58% of women elected to Parliament have been the target of sexist attacks on social media)

Post 04

@coe Recommendation on Preventing and Combating Sexism calls for specific actions including hate crime legislation to #mobilise against sexism & the *Istanbul Convention* @COE_endVAW requires countries to challenge #stopsexism #16Days #itstopsnow

Image-74% of Irish people say sexual harassment against women is common (maybe image of woman sitting holding knees)
