CYBERTIPLINE REPORT ACTIVITY: 2016 – 2021*

*Data represents CyberTipline Reports received since January 2016 through October 31st, 2021

CyberTipline Case Example

CyberTipline Report

On October 18, 2021, a report was submitted by industry regarding **child sexual exploitation**.

What Was Reported?

NCMEC detected **recently produced images** which were **new to NCMEC** of a sleeping prepubescent female child, nude from the waist down.

What Happened?

NCMEC located online profiles for possible subject indicating he has **access to children**.

NCMEC **escalated** the report and sent to NY ICAC.

Additional Information

On October 20, NYSP, NY ICAC and HSI **arrest 36 year-old suspect** after explicit videos of children found on his phone.

Two children (age 5 & 7) identified and rescued. Investigating additional victims.

"[The suspect had] plans to further sexually abuse the children that night (Wednesday) if we hadn't shown up.

He stated his wife had to work late that night, so he had the kids all to himself and was looking forward to sexually abusing them.

Thank God we got the tip and acted quickly, kids are now safe."
