

HOW TO JOIN THE CAMPAIGN

#IntersectionalityTransformsOurRealities

Do you think that intersectionality is an important approach and should be widely known? This document contains elements developed by the North-South Centre of the Council of Europe for you to promote intersectionality in your networks.

WEBPAGE

All the information on the campaign is available on our website at:

www.nscentre.org

[Direct link to the page](#)

SLOGAN

Intersectionality transforms our perceptions
Our perceptions shape our realities

HASHTAGS

#IntersectionalityTransformsOurRealities

#Intersectionality #SocialJustice

VIDEO

An informative video gives an overview on the different dimensions of intersectionality and intersectional discrimination.

VIGNETTES

To focus on one or several dimension(s) of intersectionality

Use the social media vignettes and go through some suggestions of content that you can find in the same folder.

QUIZ

The quiz is available for you to use and share. It helps to:

- foster knowledge about intersectionality
- identify and understand forms of intersectional discrimination.

Are you launching or updating a project and want to foster intersectional inclusion ?

For an overview of the questions that could help you to frame your project from an intersectional approach, visit our webpage sections:

- Mainstream Intersectional inclusion in your projects
- Use the resources "Go further" in our webpage.
