

HELP in Universities : overview/achievements

Why shall students take HELP courses ?

Added value of students vs legal practitioners in using HELP Programme

- Time availability
- Youthful adaptability (including technology wise)
- Interactivity – creating a stimulative learning environment
- Competitive edge for future career

HELP in Universities

- **No formalities!**
- **Supplement to the existing curricula**
- **Focus on self-learning for students**
- **Public events, presentations, raising awareness**
- **Exceptionally:** dedicated pages for universities/law schools
- **Exceptionally: ToTs**
- **Professors structure the courses up to the programme**

- **Identified trends for students:**
- Case studies
- Show case examples – perspectives of other countries case law
- Enhance English skills (legal drafting and reasoning)
