

Geneva, 29 November 2022

Dear Lord Dundee,

Referring to our video-conference call for the preparation of your report on European solidarity in the context of asylum and international protection, I thank you very much for bringing to the attention of the members of your committee the following list of humanitarian items needed urgently for our work in Ukraine during the winter:

1. Winterized tents with heating system
2. Generators, as much as possible up to 1 MW, according to the below main ranges:
 1. 5-7 KW
 2. 10-15 KW
 3. 20-25 KW
 4. 30-40 KW
 5. 50-70 KW
 6. 100-120 KW
 7. 200-250 KW
3. Heaters of any kind (radiators, mushroom heaters, electric heaters, etc.)
4. Boilers
5. Solid fuel (hardwood, briquettes, pellets, coal)
6. Accommodation containers with heating system
7. Winter clothes, as many as possible
8. Beds (portable beds), as many as possible
9. Construction materials and tools for winterization (screws, panels, etc.)

IOM will be ready to respond to any questions committee members may have regarding these items. We will be happy to assist in the delivery and distribution of humanitarian donations to Ukraine through our network of humanitarian associations throughout Ukraine.
