Poland

MAIN ISSUES BEFORE THE COMMITTEE OF MINISTERS - ONGOING SUPERVISION

Actions of security forces and effective investigations

Secret "rendition" operation to CIA agents: secret detention and ill-treatment of two persons in a CIA facility under US authority in Poland and their transfer from Poland to the USA despite the risk of a denial of justice before US military commissions using evidence obtained under torture and the risk of death penalty.

Al Nashiri (28761/11) **Husayn (Abu Zubaydah)** (7511/13)

Judgments final on 16/02/2015

Enhanced supervision Status of execution

Excessive use of force by the Police during the applicants' arrest in February 2015 and ineffective investigation in the circumstances of this incident.

Kuchta and Mętel (76813/16)

Judgment final on 02/12/2021

Enhanced supervision
Status of execution

Degrading treatment

Refusal of border guards to receive asylum application and summary removal to a third country with a risk of refoulement to and ill-treatment in the country of origin. Collective expulsion of aliens in a wider state policy of refusing entry to foreigners coming from Belarus. Lack of effective remedy with a suspensive effect. Non-compliance with interim measures under Rule 39.

M.K. and Others (40503/17)

Judgment final on 14/12/2020

Enhanced supervision Status of execution

Functioning of justice - tribunal established by law

Tribunal not established by law due to the participation in of an irregularly appointed judge of the Constitutional Court in a panel that rejected the applicant's company constitutional complaint.

Xero Flor w Polsce sp. z o.o. (4907/18)

Judgment final on 07/08/2021

Enhanced supervision
Status of execution

Tribunal not established by law due to the fact that the judges of the various chambers in the Supreme Court that dealt with the applicants' cases were appointed "in an inherently deficient procedure" on the motion of the National Council of the Judiciary lacking independence from the legislature and the executive.

Reczkowicz group (43447/19) Judgment final on 22/11/2021

> Enhanced supervision Status of execution

Functioning of justice - access to a court

Lack of access to a court to challenge premature termination of the terms of office of vice-presidents of a regional court, dismissed on the

Broda and Bojara (26691/18)

Judgment final on 29/09/2021

Enhanced supervision

Excessive length of civil and criminal proceedings and lack of an effective remedy, principally on account of: - the domestic courts' failure to take into account the entirety of proceedings when evaluating their duration; - disproportionately low amounts of compensation awarded by domestic courts. - disproportionately low amounts of compensation awarded by domestic courts. - Excessive length of proceedings before administrative bodies and courts. Absence of an effective remedy. - Excessive length of proceedings before administrative bodies and courts. Absence of an effective remedy. - Respect for private life - abortion and procreation Lack of effective access to reliable information on the conditions and procedures for a lawful abortion; unwarranted disclosure of personal data to the public by the hospital eventually carrying out lawful abortions and unjustified detention in a juvenile shelter to convince not to abort. - Absence of an adequate legal framework for the exercise of the right to therapeutic abortion in the event of disagreement between the patient and the specialist doctor. - Absence of an adequate legal framework for the exercise of the right to the rapeutic abortion in the event of disagreement between the patient and the specialist doctor. - Disciplinary and other measures applied against judges - Application of measures against a judge, judicial member and spokesperson of National Council of the Judiciary, in connection with his views expressed in defence of the rule of law and judicial independence. - Enhanced super Status of exections with his views expressed in defence of the rule of law and judicial independence.	basis of temporary legislation, providing no safeguards against arbitrariness.
