

Autobiography of Intercultural Encounters

Module 4

Activity 2: The AIE's conceptualisation of knowledge

Knowledge has two main components

© Council of Europe 2013

General knowledge

Knowledge of social processes and their products.

© Council of Europe 2013

Specific knowledge

Knowledge of illustrations of those social processes and products that are part of general knowledge.

Specific knowledge includes knowledge about how other people see themselves as well as some knowledge about other people.
