Non-statutory archaeological finds (research materials) kept at depot with statutory finds in the same conditions. Every local museum in Montenegro have depot for archeological finds which have been found at some archaeological site on territory of the municipality where that museum exist. All documentation about any kind of works (archaeology, conservations...) on cultural heritage and archaeological sites in Montenegro kept at Directorate for cultural heritage protection according law. Also, every local museum kept documentation about cultural goods and archaeological sites from the territory of the municipality covered by the museum. Centre for conservation and archaeology of Montenegro kept documentation from every conservation and archaeological works that he realized.
