

STRENGTHENING THE CAPACITY OF JUDGES AND PROSECUTORS ON HUMAN RIGHTS STANDARDS IN MOROCCO - SPIV

10 months (April 2021 - February 2022)

European Union and Council of Europe
South Programme IV

MAIN OBJECTIVES

- Fostering respect for human rights in Morocco by strengthening the judges and prosecutors' capacity to perform their functions in compliance with international human rights standards
-

EXPECTED OUTPUTS AND RESULTS

1. The capacity of Moroccan judges and prosecutors to apply International Human Rights standards in their daily work is strengthened
 2. Knowledge of the Moroccan judges and prosecutors on International Human Rights standards is enhanced
 3. The capacity of the national professionals to deliver human rights trainings for legal professionals is strengthened and sustainable
 4. Distance-learning trainings on human rights (Help Methodology) are introduced for judges and prosecutors in Morocco
-

KEY ACTIVITIES

- Organizing **training sessions and seminars** for judges and prosecutors in Morocco on International Human Rights standards and their application in effective investigation against crimes,
 - Promoting the **HELP courses related to the human rights issues** relevant to Morocco;
 - Reinforcing and increasing of the **pool of trainers** to train on effective investigation in line with international human rights standards;
 - Translating and adapting existing **guides, check-lists and materials** on human rights- related relevant topics.
-

PARTNERS AND BENEFICIARIES

The main partner of the project is the "Presidency of the Public Ministry" (Présidence du Ministère Public) (PMP)

Beneficiaries are judges and prosecutors in Morocco.
