

TO: Mr Vitali Klitschko
Mayor of Kiev
Head of Association of Ukrainian Cities

1 March 2022

Dear Mayor Klitschko

We Mayors from Georgia and Moldova stand with you in these difficult times for Ukraine and for the entire Europe. We are shocked and saddened by images of heavy bombardment of our beloved city of Kiev and other cities of beautiful Ukraine. All citizens of our countries are sorrowing over suffering and calamities imposed on innocent local citizens and offer their sympathies to all victims of this horrible war. Such inhuman actions are inadmissible in 21st century in the Europe.

Dear Mayor, we are impressed by your brave leadership and heroism of Ukrainian People. We believe, Ukraine will stand firm in this fight for freedom, sovereignty, and territorial integrity. We local political leaders from Georgia and Moldova call on Russian Federation to cease fire, withdraw its troops from the sovereign territory of Ukraine and solve problems by means of negotiation not by means of warfare.

Our thoughts, hearts and prayers are with you and with our Ukrainian colleagues.

Слава Україні!
Glory to Ukraine!
