

RESOLUTION (72) 34

CUSTOMS TREATMENT OF PRODUCTS IMPORTED FOR TESTING

*(Adopted by the Committee of Ministers on 19 September 1972
at the 213th meeting of the Ministers' Deputies)*

The Committee of Ministers,

Having taken note of the recommendation adopted by the Customs Co-operation Council on 5 June 1972 on the customs treatment of products imported for testing in response to a request made by the Committee of Ministers meeting at Deputy level at their 178th Session ;

Desirous of encouraging measures calculated to contribute to consumer protection,

Invites governments of member States to give favourable consideration to the early implementation of the aforesaid recommendation of the Customs Co-operation Council.
