### **Military Ordinance**

#### **on placing under quarantine the municipality of Suceava and some neighbouring communes and on establishing a protection area in some administrative territorial units in the Suceava county**

Considering the provisions of Article 24 of the Government Emergency Ordinance no.1/1999 regarding the state of siege and the emergency regime, published in the Official Journal of Romania, Part I, no.22 of January 21, 1999, approved with amendments and additions by Law no. 453/2004, with subsequent amendments and additions,

Taking into account the assessment made by the National Committee for Special Emergency Situations, approved by Decision no. 17 of March 30, 2020;

Based on Article 4, paragraph 2 and paragraph 4 of the Decree of the President of Romania no. 195/2020 on establishing the state of emergency at national level, published in the Official Journal of Romania, Part I, no. 212 of March 16, 2020, on points 3-5 of Annex no.2 to the same decree and on Article 20 (n) of the Government Emergency Ordinance no.1/1999, with subsequent amendments and additions,

The Minister of Internal Affairs has issued the following military ordinance:

#### **Art. 1**

The quarantine measure is established during the state of emergency for the municipality of Suceava and the surrounding area consisting of the following eight communes: Adâncata, Salcea, Ipotești, Bosanci, Moara, Șcheia, Pătrăuți, and Mitocu Dragomirnei.

#### **Art. 2**

A protection area is established during the state of emergency, as a security perimeter around the quarantined territorial administrative units, consisting of all the other administrative territorial units in the Suceava county.

#### **Art. 3**

Entry and exit in/from the quarantine area provided for in Art. 1 are allowed for:

- a) freight transport, regardless of its nature, of raw materials and resources necessary to carry out the economic activities in the quarantine area, as well as to supply the population;
- b) persons who do not live in the quarantine area but who carry out economic activities in the fields of defence, public order, national security, health, emergency situations, local public administration, welfare and social protection, judiciary, public utility services, energy, agricultural public food, water supply, communications and transport.

**Art. 4**

The Ministry of Transport, Infrastructure and Communications, as well as the economic operators in the field of railway passenger transport will not sell tickets/subscriptions or other travel titles for the transport of passengers in the quarantine area unless the provisions of Art. 3 are respected.

**Art. 5**

All restrictions established by previous military ordinances will be adequately applied in the quarantined localities and in the protection area.

**Art. 6**

The County Centre for Coordination and Management of the Suceava Intervention (CJCCI) is empowered to establish additions and derogations regarding the provisions of Art. 3.

**Art. 7**

(1) In the protection area, the entities with responsibilities in the field of defence, public order and national security will establish specific measures to prevent and limit the entry, respectively the exit of persons in/ from the quarantine area provided for in Art. 1.

(2) In the protection area, the movement of persons belonging to other socio-professional categories is prohibited between localities in that area.

(3) The authorities of the local and county public administration will inform the persons in the protection area of their obligations regarding the movement and access in/from the quarantine area.

(4) The implementation of the check, control and access measures in / from the quarantine area will be the responsibility of the personnel of the structures of the Ministry of Internal Affairs acting in cooperation with those of the Ministry of National Defense.

**Art. 8**

Access to the "Stefan cel Mare" Suceava international airport is allowed only for state aircraft flights, cargo and mail flights, humanitarian flights or those providing emergency medical services, as well as for the non-commercial technical landings.

**Art. 9**

The Suceava County Council together with the mayors and the local councils of the administrative-territorial units located in the quarantine area and in the protection area will take measures to ensure the functioning of the social protection and assistance services, the proper functioning of the public utilities services, as well as the supply of goods covering the basic needs of persons who have no one to help them or lack any other form of assistance and who cannot exit their home / household.

**Art. 10**

Access between localities through areas and means of access other than those open to public transport such as European, national, county and communal roads is strictly forbidden.

**Art. 11**

1) The following institutions are authorized to ensure the implementation and observance of the provisions of the present Military Ordinance:

- a) The Romanian Police, the Romanian Gendarmerie and the local police, for the measures provided in Art. 3;
- b) The Ministry of Transport, Infrastructure and Communications, for the measures provided for in Art. 4 and 8.

(2) Failure to comply with the measures provided for in Art. 3, 4 and 8 will incur disciplinary, civil, contraventional or criminal liability, in accordance with the provisions of Art. 27 of the Government Emergency Ordinance no.1 / 1999, as subsequently amended and supplemented.

(3) The personnel of the institutions mentioned in paragraph 1 are authorized to establish contraventions and to apply sanctions, in accordance with the provisions of Art. 29 of the Government Emergency Ordinance no. 1/1999, as subsequently amended and supplemented.

**Art. 12**

(1) This Military Ordinance is published in the Official Journal of Romania, Part I.

(2) The audiovisual media service providers are obliged to inform the public, through regular broadcast messages, for at least two days from the date of publication, about the content of this Military Ordinance.
