

Joining forces to prevent torture and other ill-treatment

Regional meeting of NPMs and CSOs of the OSCE region on Mental Health in Detention
 9-10 November 2023
 Charlottehaven, Hjørringgade 12C, Copenhagen, Denmark

Objectives

- To explore the risk factors and situations which contribute to torture and other ill-treatment of persons with mental health conditions in detention and ways to address them.
- To examine standards, monitoring practices and NPM strategies to address challenges related to mental health across different detention contexts.
- To enable interaction between NPMs, CSOs and experts to share and identify good practices and reinforce cooperation.
- To help NPMs to make better use of their reporting and recommendation powers to bring about change.

- Sofia Casas, UNHCR Regional Mental Health & Psychosocial Support Officer
- Indrek-Ivar Määrits, Head of the Inspection Visits Department Office of the Chancellor of Justice, Estonian NPM

Four parallel working groups on:

- **Monitoring mental health in prisons and pre-trial detention**

Moderated by: Veronica Filippeschi, Senior Adviser on Vulnerabilities and Policy, APT

Starting questions:

- Where are the root causes of the problems you see? Are they in individual places or at the level of institutions, laws, or policies?
- How do you approach these issues as monitors? Both at the visit (practical) level? And at the level of NPM strategy and prioritization?
- What has worked well in your context?

- **Monitoring mental health in psychiatric institutions and other health or social care facilities**

Moderated by: Tigran Karapetyan, Head of Division, Council of Europe

Starting questions:

- How have you approached these kinds of settings as NPMs? Have you reported on your country's psychiatric hospitals disregarding fundamental rights of people with mental health conditions?
- How have you managed to approach the issue of standards and expectations in these kinds of settings?
- What has worked well in your context?

- **Monitoring mental health in immigration detention**

Moderated by: Laura Jaffrey, Adviser on Torture Prevention, OSCE/ODIHR

Starting questions:

- Have you reported on your country's immigration detention centres disregarding human rights of people with mental health conditions?
- How have you managed to approach the issue of intersectionality in these settings?
- What has worked well in your context?

- **Monitoring mental health in detention (Russian language group)**

Moderated by: Lela Tsiskharishvili, Executive Director, The Georgian Centre for Psychosocial and Medical Rehabilitation of Torture Victims – GCRT and Anzhela Tsaturian, Assistant, Human Rights Department / OSCE/ODIHR

The aim of the Russian language group is to accommodate participants who feel more comfortable expressing themselves in Russian. Group

	<i>participants will have the option to focus on one or more topics covered in the other working groups.</i>
15:30 - 16:30	<p>SESSION III- PLENARY DISCUSSION</p> <p>Summary of working group discussions (by rapporteurs – chosen by working groups)</p> <p>Discussion in plenary</p> <p>Moderated by: Laura Jaffrey, Adviser on Torture Prevention, OSCE/ODIHR</p>
