Dear Colleagues,

I am presenting myself for election as President, Social Inclusion Committee. A member of the Congress since 2022, I have played an active role in the committee, and as a thematic spokesperson for Gender Equality. I would very much like the opportunity of working with you all on the vital agenda of the Social Inclusion Committee. Local authorities and their representatives are faced with great challenges at present and we can support and promote their work. I would be proud to be Chair and look forward to speaking and working with you all.

With all best wishes,
