Promotional Seminar of the Partial Agreement on Youth Mobility through the Youth Card

1st December 2022
Brussels, Belgium

Introduction

This promotional seminar is part of the 2022 programme of activities of the Council of Europe Partial Agreement on Youth Mobility through the Youth Card. It will be organised by the Partial Agreement on Youth Mobility and the European Youth Card Association (EYCA).

The main objectives of the seminar are to:

- Promote the European Youth Card as a tool for policy development and implementation, at local, national and European levels, especially towards Government representatives;
- Share good practices on how the European Youth Card is developed by EYCA members;
- Encourage Governments who have not signed the Partial Agreement on Youth Mobility to do so and address 'youth mobility' as a priority in their public policies;
- Present results of survey among members and non-members of Partial Agreement on Youth Mobility through the European Youth Card.

Therefore, **the profile of expected participants** is:

- representatives of Governments working to develop and implement national youth policies and being interested to connect it with the European dimension as regards the youth card and youth mobility;
- representatives of EYCA member organisations, including EYCA Board members;
- representatives of the Council of Europe.

From a **methodological perspective**, the seminar would combine a variety of formal and very practical ways of learning about, networking and understanding the potential of the European Youth Card, such as meetings with representatives of public authorities, presentations on models of implementation of the European Youth Card in various countries, including as a tool to implement policies and provide services to young people.

The event will take place in Brussels, Belgium. Further details about accommodation and exact venue will be provided to confirmed guests.
