Candidature for the Vice-president of the Governance Committee

Ladies and gentlemen

I am submitting my candidacy for Vice-President of the Governance Committee.

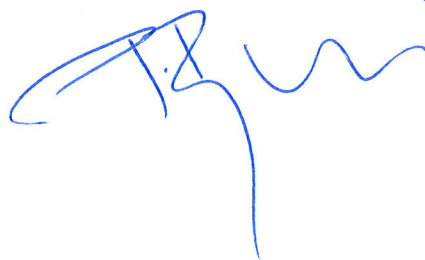

I am a member of the EPP and have had a long political career in Switzerland in local and regional government, in the Municipality of Lugano and in the Government of the Canton of Ticino.

I am now a member of the Lugano Municipal Council and a member of the Swiss delegation in Strasbourg.

I hope that my candidacy will be appreciated by the members of the committee.

Yours sincerely

Paolo Beltraminelli
