

## **Response to the alert 153/2021**

*In addition to the prior information relating to the investigation into an insult of Mr Jacek Harlukowicz done via social media, i.e. the "Twitter" platform and "ukladwroclawski.wordpress.com" website, that took place in an undetermined place in the period between April 13, 2021 and May 20, 2021, it should be added that in the course of the proceedings a decision was issued on requesting the release of telecommunications and ICT data and on exemption from professional and telecommunications secrecy. Namely, it was requested from Twitter Inc (based in San Francisco, CA, United States) to send IP addresses and port numbers from which logging into the user account "GrubyBolek" (@BolekGruby) was made on July 17, June 15, and May 20, 2021.*
