Covid 19 : challenge, lesson and strategy

10 novembre 2020

Covid 19 : Challenge

- To guarantee everywhere the continuity of the penitentiary service in a complicated situation : overpopulation in prison and health crisis
- To avoid the entry and the spread of the virus in the probation services and in prison
- To maintain serenity in prison and the rights of the prisoners

Covid 19 : Lesson

- A strong rallying of every members of the judicial system on the measure to decrease overpopulation in prison
- An immediate adaptation of the probation services and in jail

Covid 19 : Strategy for futur

- An increased awareness about the overpopulation in prison : other sentences to prononce then prison, and an engaged dialogue with all the people concerned
- The reflection about a new organisation of the probation services
