

Policy support & GM input

- ✓ GEC representation and contributions to CoE work on **Artificial Intelligence** (CAI), **hate crime** (PC/ADI-CH) and **Roma women** (ADI-ROM)
- ✓ Production of **tools** by different sectors: legal cooperation, anti-doping, elections
- ✓ Ongoing **policy/project work** of Pompidou Group, Roma sector, sport division, minority languages, intercultural integration etc.

Development of support tools by GED

- ✓ Currently more than **50 Gender Equality Rapporteurs**
- ✓ **Training for Gender Equality Rapporteurs: 29-30 November 2022**
- ✓ Updated **GERs Manual** published
- ✓ **Upcoming: CoE online HELP course** on gender equality and gender mainstreaming to be widely available available in 2023

Main results of pilot data collection on gender mainstreaming (1)

- ✓ **63% of respondents**
- ✓ Almost **parity amongst experts** of responding bodies (49% men / 51% women)
- ✓ Some traditional **gendered distribution** of topics but not systematic
- ✓ **93% of respondents** had GE/GM related **activities**
- ✓ **Most frequent activities:** participation in existing training and review of document from a GE perspective
- ✓ **Least frequent activity:** organisation of GE/GM specific event or of training

Main results of pilot data collection on Gender mainstreaming (2)

Lessons learned:

- ✓ A lot of **ongoing efforts** on GE/GM
- ✓ **Good awareness** of GE/GM (self-perception amongst respondents)
- ✓ Difficult to have full picture without **data from all bodies**
- ✓ Need to have **a finer look at representation issues**
- ✓ More detailed information needed about type of activities
- ✓ Request for **more guidance / targeted support**
