← Gender equality and Gender mainstreaming

4/23

## How equal is the society we live in?

Select the theme to explore more.

- 1 Gender-balance in decision-making
- 2 Gender pay gap
- 3 Economic independence of migrant women
- 4 Unpaid work
- 5 Violence against women

## Gender equality and Gender mainstreaming

2/31

### Specific objectives of module 1

1. Develop an understanding of the concepts at the core of a gender mainstreaming approach.
2. Explain what gender equality is and briefly present the different tools for achieving it.
3. Develop an understanding of what gender mainstreaming means in the work of the Council of Europe.
4. Explain what violence against women is and how it relates to gender equality.

← 2 Gender equality →

14/31

Use of legal framework to prevent **discrimination**, e.g. article 14 of European Convention on Human Rights;

Equality before the law

Adoption of **positive actions** to redress existing (gender) inequalities, e.g. promoting women in decision-making, employment, sport or culture;

Positive actions/specific measures

Gender mainstreaming
