

Q1: Can you please let us know what does **Multiple tendering is not authorized** means?

A1. Multiple tendering means that Service Provider cannot submit 2 or more offers for the same Tender, alone or in consortium.

Q2: Can our company apply for both lots since we have 20 employees and different people with different job positions are required for both lots?

A2. Yes, all Service Providers may apply for one or both lots, if they deem, they fulfill the stipulated requirements.

Q3: The Tax declaration is issued for the legal entity by the Public Revenue Office, but the "Court Declaration (*Потврда за неосудуваност*)" is issued to Natural person, who should it be issued to (the owner, the persons included in the process)?

A3: The Court Declaration (*Потврда за неосудуваност*) should be issued for the owner of the company.

Q4: Question: Should the official documents issued by the state institutions (Public Revenue Office, Central Registry, Court...) be translated?

A4. All documents shall be submitted in English language. Documents in other languages must be translated in English language by official court translator and verified by a Notary Public in the country of registration.
